

Mrs. Biby says, "No matter how scattered our family may be, we never lose touch. The telephone connects us, night or day."

THE BIBYS' TELEPHONE: A MEMBER OF THE FAMILY

"Low-Cost Family Helper" is how the Edward Bibys describe their telephone

At eleven o'clock one night recently, the telephone rang in the home of Edward E. Biby, owner of a small Los Angeles mattress factory. His son Jim—a senior at USC—was calling. "Dad, my jalopy's broken down, and if I don't get my date back to her sorority house before midnight, we're both in the soup." Like other dads, Ed Biby jumped into his car and rode off to the rescue. Later, he said, "That's typical of how the telephone works in our home. It's a real member of the family."

At your service for pennies a call

The Bibys—like other families throughout the West—have found that while their taxes and the cost of most things they buy for their home have gone away up, telephone rates have remained low. So low, that the telephone still carries their messages for pennies a call. No wonder it's rated a bargain in the Bibys' budget.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

Like other businessmen, Mr. Biby doesn't always find enough hours in the day to finish his work. But his home telephone permits him to make the few necessary evening telephone calls his business requires while he enjoys his family. And Mrs. Biby describes son Jim and daughter Jean as "telephone children" who make good use of the telephone in their school activities. Mr. Biby, speaking of the telephone, said, "There are few things we buy today that do so much—and cost so little."

Other top drivers slated to have mounts for the trackfest will include Colby Scroggins, Bob Chaplin, Johnny Woods, Jack Jordan, Steve Redican, Johnny Moorehouse, Nick Valenta, and Dempsey Wilson. Time trials for the spring cars begin at 8:30 p.m., the trophy dash opening the main program at 8:30.
