Shoot the movie with the best! If that's poetry, I'll eat that Mexican hat, but the boss made me write it! The idea is the Mexican takes the slices and our cameras are the best. Man! How corny can you get?

Every time I talk to somebody who bought a movie camera from us I feel pretty good because they got it. They have lots of fun shooting their pictures and have it all over again when they show them. Probably lots more of you folks would own movie cameras if you only knew you could get one like this Brownie Movie Camera for only \$80.75! Honest, come in and look at it and if you buy it you'll never be sorry.

See you next week, SNAPPER

before Thee with all their heart" (I Kings 8:23). Matthew's Gospel (12:10,11,13) tells of a man in the synagogue with a withered hand and the Pharisees questioned Jesus "Is it lawful to heal on the sabbath days? . . . And He said unto them, What man shall there be among you, that shall have one sheep, and if it fall into a pit on the sabbath day will he not lay hold on it, and lift it out? . . . Then saith He to the man, Stretch forth thine hand. And he stretched it forth; and it was restored whole like as the other."
