

Man Injured by Saw Recovering Nicely

By SUE BURK
Frontier 5-4549

Hello, again, friends. Well, the weather being so warm, most of the kiddies were taking shower baths on the front lawns; and oh, do I wish I were a kid again! Wonder what we grown-ups would look like out on the lawns taking shower baths?

At least one family isn't worried with the heat. If you happen to glance toward the Slater residence you will notice a

new garage and also a new room going on the back. This we are happy to see as the kids have worked long and hard to accomplish this. Little Craig Slater is away at camp on a two-month vacation. Hope he is having lots of fun.

Several weeks ago I told you about Bob Ledwidge, also a resident of Macafee Rd., having such a terrible cut on his right arm from getting too close to a swing saw as it flew on the wheel. Today Bob is feeling much better and does have some movement in his fingers again. However, he reports that he is tired of not being able to work. Somehow, he states, "you just can't make any money sitting at home doing nothing."

Visiting here and going to visit there were Mr. and Mrs. "Buz" White of Zakon Rd. and Marty took a week-end trip to Pasadena to see Mrs. Gladys White. Their company at home last week was Mary Webster of La Canada, who loved the wonderful weather here and especially the beach, if she and Marty hadn't become so terribly sunburned!

Visiting with Mr. and Mrs. James Clark and son of Zakon Rd. over the week-end were Mr. and Mrs. Harold Preston and kiddies from Los Angeles. The Prestons are on vacation at the present time and so both families are enjoying these warm days at the beach.

Visiting with Mr. and Mrs. Preston Nix and family of Zakon the next few weeks is Mrs. E. L. Hunnicutt of Texarkana, Ark. Mr. Hunnicutt owns a huge farm in Texarkana and just couldn't make the trip this year, but maybe next year, O.K. Myrtil? Anyway, we are glad that your mother could be with us, for she really seems to be enjoying this California weather.

Our Scoutmaster, Floyd Holstin, reports that the third Na-

tional Jamboree of the Boy Scouts of America will begin tomorrow. The jamboree is located at Irvine Ranch, Newport. Floyd bids each and everyone welcome to the great event.

Mr. and Mrs. Wynn Gravin will also be present. Wynn was Cubmaster here from late 1950 to middle 1952, but gave up his position because his work took him to Arizona. He is now Scoutmaster of a Boy Scout troop in Tucson. Very happy to know that both Wynn and Peg will be with us for the next week.

And someone was a year older yesterday. Yes, it was Mrs. Jack Mitchell of Zakon Rd., who is now 26 years old. Her friends remembered with good wishes for many more birthdays to come, but Betty spent a quiet evening with her family. Again may we wish you—Happy Birthday, Betty.

We hear that Mr. and Mrs. Phillips and son of Binde-wald are back home again after a nice long vacation. Don't happen to know where they went, but do hope they really enjoyed a few days of fun.

COAL MOVED
United States railroads moved 404 million tons of coal in 1950.

Hope Evangelical New Church Name

The new church at 3347 W. 174th St. has been officially named the Hope Evangelical United Brethren Church, it was announced yesterday by its pastor, Rev. Homer H. Miller, former Central Church pastor.

The name of the church was chosen last Sunday, Rev. Miller said. Interest is growing in the recently organized congregation and was evidenced by an attendance of 80 at Sunday School and 53 at the morning worship services Sunday, Rev. Miller said.

He reported that the building moved onto the site last spring is nearing completion and should be ready for occupancy after this month.

Home Visits Planned
The pastor also reported that during the two weeks beginning July 15 and July 26 he will be visiting the homes of church members to show colored slides of the history and background of the Evangelical United Brethren Church and to give an indication of its present scope of work.

Plans for the dedication of the new church are being stu-

gers was the fastest straight-line rider. Both boys are 11. Winner of the slow race was Pete Moore, 10.

Others included: Zig-zag—Judy Fredrickson, 10, and Jimmy Biggers. Straight line—Judy Fredrickson and Robert McDer-mitt, 9. Slowest—Jim Biggers, Richard Battaglia, 9.

In the safety poster contest, 8-year-old Daniel Sorenson won first prize in the 6-8 age group, Charles Phillips Jr. was second, and Larry Biggers third.

In the 8-12 group, Marlyce Frederick was first, Sherdean Swift second, and Rosemarie Ber-tetta third.

Also under way is planning for the purchase of a parson- age for the pastor. In the mean- time, he said, he can be reach- ed at the church or by tele- phoning ME190 9-3542 or ME190 9-3277.

Torrance Park Winners Named

Jim Hester turned out to be the best zig-zag bicycle rider at the Torrance Park contests held last week, while Jim Big-
