

## THE SQUIRREL CAGE

BY REID BUNDY

**ONE VIEWPOINT** — Ed Bliss, chief investigator for the Public Defender's office told members of the Torrance Junior Chamber of Commerce the other evening that every question had two sides. As an example, he cited the little family disputes around his house: "My mother-in-law has one side of it and my wife has one side of it," he said. "That's two."

**ANOTHER SIDE** — Why is it that coffee boiled in an old tin can over an open fire in someone's back yard or along the banks of some lake tastes like nectar of the gods? The same stuff would be thrown out of any kitchen in town.

**GOOD DEEDS** — Speaking of coffee, and with the National Scout jamboree bringing 50,000 Scouts to California, I'm reminded that it's about time I did a good deed to keep my merit badges, so here it is: To keep the coffee pot sweet, boil a weak solution of borax or soda in it occasionally. Then throw it away (the solution).

**NAME QUIZ** — Would you be able to identify Fred Auterliz, Frank Cooper, Frances Gumm, Archibald A. Leach, Maria do Carmo Miranda da Ounha, or Gladys Mary Smith? In order, they are better known as Fred Astaire, Gary Cooper, Judy Garland, Cary Grant, Carmen Miranda, and Mary Pickford.

**SMILE** — Heard a guy say the other day that it was "so dark out people looked like the characters in a night fog scene of an English movie." If you've ever seen one of those English melodramas on t.v., you know how dark it must have been.

**SWITCHEROOS** — It could have been said this way: It isn't the principle of the thing, it's the money... Boy, did the boss ever tell me off today... If he thinks I'm gonna bend over backwards to do him a favor now, he's right... Honey, I think it would be nice if your mother came to visit us this summer... And when I'm elected, I'll see that they don't try to lower your income taxes... If you won't ask the boss for a raise, maybe I can cut down a little on the grocery money... Say, don't I owe you a five?...

### City Dump Flames Keep Firemen Out 20 Hours

Torrance firemen battled flames for nearly 20 hours here Thursday and Friday—and the total loss was put down at nothing. Fire crews were called to the city dump shortly before 7 p.m. Thursday when the huge deposit of trash in the dump began burning. It continued to smolder and burn until the crews finally quenched the flames and returned to the station at 2:10 p.m. Friday.

Firemen said some burning material was apparently unloaded in the dump during the late afternoon.

**GIANT SHARK** — One of the best known species of sharks is the man-eating white shark, often 40 feet long.

**TRUCK TAXES** — United States trucking companies paid \$1,161,000,000 in special truck taxes during 1949.

#### PUT OUT THAT MATCH

The National Conservation Society says, "Only you can keep our forests green."

You and I can do irreparable damage to the Country we love by being careless with fire. One lighted match can destroy a forest that has taken a century to grow, worse, that match can cause a flood, destroy homes, farm land, even human beings. We'd be horrified to be called a murderer, yet the match we carelessly flip from a car window could trap a farmer, burn his home, him, and allow rain-water to cascade unchecked to lowlands and again do untold damage.

Be safe! Be patriotic. Do not smoke in the mountains. If you must, be certain pipe ashes, cigarette or cigar butt is out, out, out cold. Keep our forests green. You, alone, can keep America strong. PUT OUT THAT MATCH.

## Hi-Shear Rips Walteria 13-8 In Class 'B'

Hi-Shear raked H. L. Griffith for 11 hits to rump the Walteria BMA 13-8 in a Class "B" softball struggle Wednesday at Torrance Park.

Three errors and a walk sandwiched around one hit gave Hi-Shear four runs in the second frame, and three more Walteria errors plus two walks, two hits and a passed ball gave them four more in the third.

Third sacker Ralph Clever bombed a four master with two mates on base in the fourth to also come after two were out.

Roy Fredrickson got life on an error, Ellsworth Karns walked and Clever socked a single, scoring Fredrickson and advancing Karns to third. Griffith walked Harry Gann and then fed a fat one to Bart Pierce, who proceeded to lambast it to left field for a two bagger, scoring Clever and Gann.

In another Class "B" scheduled game, Home Loan Realty failed to show, forfeiting to the Harbor Hornets.

**Blue Streak** — Mayfair Creamery scored in

the fifth and one in the sixth to eke out a 2-0 win over the Fire Department "A" squad Thursday at Walteria.

National Supply Company Management outlasted the Walteria Methodist Church 13-10 in another Blue Streak game played Thursday.

### OCEAN ARM

East river is not really a river, it is actually a branch of the Atlantic Ocean.

### TINY OYSTERS

Olympia oysters are so small it takes 1800 of them to make a gallon.
