Police Seeking 20 Local Youths; Want Them to Join TAPs Class

A recruiting drive to interest more Torrance boys and girls in joining a new TAPs class was announced this week by Lt. A. S. Thompson of the Torrance Police Dept. The Torrance Auxiliary Police, composed of boys and girls between the ages of 12 and 18, will start a new class on Aug. 26, Lieut. Thompson said. Classes, which are held on the second and fourth Wednesdays of each month, will continue for about five months and will cover such subjects as traffic, first aid, fire prevention, firearms safety, juvenile laws, and narcotics. Officers of the Torrance Police Department will handle most of the classes, according to Lt. Thompson. Fire Department men will conduct classes in first aid and fire prevention. Also on tap for the class will be talks by outstanding authorities in various fields from other law enforcement agencies such as the County Sheriff's office, Thompson said. He also said that the class which will be started in August will be completed in time for the members to join the TAPs in the annual Christmas party.
