## Mountains, Trips Lure Kettlerites

By VIRGINIA JONES  
Davenport 6-1617

So the month of August is here already! These summer days are traveling by so fast that we'll all have to enjoy our warm days when we can. Kettler families are still vacationing, we're happy to report, with guests and parties plentiful, and even a wedding to top the news!

"Zeke" and Lu Trezise, and daughters Janice and Diana of 1539 Marinette street thoroughly enjoyed their vacation trip to Golden, Colo., for two weeks. Many relatives of the Trezises

The William Watermans of 1767 Marinette St., returned home recently following their vacation trip to Tulsa, Oklahoma. The two weeks were spent visiting relatives in that city, and many scenic spots along the way were enjoyed immensely.

Gloria and Bill Hixson and children Ronnie and Kathy of 2054 Kathy Way returned home last Friday from a two weeks' vacation trip to Merced. Travel on the beautiful coast Highway 1, they first toured through the Santa Cruz mountains to San Francisco, where they quickly visited that city, then on to Merced to spend a week with Gloria's mother, Mrs. Cora Mulligan.

Bill and Earlene Walker and daughter Linda of 1909 Reynosa Drive returned home last week from several days of relaxation and fun spent at Big Bear Lake.

Other mountain travelers, who are no doubt having a bit of fun swimming, hiking, etc., are Madelyn and Jim Wayt and children Joyce, Jack and Marilyn, of 1922 Reynosa Dr. They also chose the Big Bear Lake area as their destination with a Green Valley cabin their "home" for the week.

Belated "Happy Birthday" greetings to Diana Wolters, daughter of the Norman Wolters of 1844 Marinette St., who celebrated her ninth birthday with a party on July 28. The afternoon party was highlighted with games, fun, and delicious refreshments. Guests were the Misses Caroline Hussy, Margaret Sorenson, Cynthia Wentz, Jean Christian and Louise Gomez.

Another event at the Wolters home is the vacation trip that Mrs. Wolters' mother, Mrs. Margaret Benton and her granddaugh-

ter, Miss Peggy Benton, are having this week. They're 'way up at Lake Tahoe for a week and we hope they are enjoying themselves.

We're happy to report that five-year-old Sonny Duncan of 2025 Middlebrook Road has successfully gone through his third eye operation. At his young age, and especially when his first operation was performed when he was only two, we can all imagine the strain that the three of them have gone through. Sonny will have to wear glasses, we're sorry to hear, but doctors did all they could. Our best wishes are extended to this family.

"Popping in" and making a surprise visit last Thursday was Lt. Gerald Wright, brother of Mrs. Marie Foote of 2080 Reynosa Drive. Lt. Wright spent 10 months in Korea doing front line duty and we're all very happy he has returned to the States. His next tour of duty may be in the El Paso, Texas, region, but being in the O' Army, one never knows.

A week of camping was a pleasant one for the James Hester family of 1937 Middlebrook Road, who had fun at Sequoia. It was their first visit to lovely Sequoia and the Hesters truly enjoyed it.

Mr. and Mrs. Paul Clark of 2043 Reynosa Drive have as their guests this week Paul's brother and his wife, Dick and Eunice Clark of Kansas City, Mo. The mid-west visitors are thoroughly enjoying their first trip to Southern California and many scenic spots are being visited. Perhaps they'll like it so well here they'll plan to stay!

The M. R. Cook family of 2822 Gramercy Ave. returned home this week from an enjoyable vacation spent at Yosemite. Lotsa' fun and everything!

**COAL IMPORT**  
The Canal Zone imported 10,000 tons of United States coal in 1951.

**NATIVE FLORA**  
There are about 900 species of flowering plants, trees and ferns on the Hawaiian Islands.
