Carson Housewife Wins New Gas Range

The proudest, happiest lady in the Carson district today is Mrs. W. L. Morrison, 159 W. 220th St., for she is the winner of a spanking new Westinghouse refrigerator and a toaster given away on the "Freedom Rings," television program. Mrs. Morrison met the Westinghouse twins in Torrance on day, entered the contest at Frank's Furniture Store, and then forgot all about it. In fact, Mrs. Morrison is unusually lucky because she gave the phone number of her next door neighbors, the William Rollers, and all who know busy Mrs. Roller will testify that she's seldom home. But the phone did ring, was answered, and because she knew the answers to the first two questions, Mrs. Morrison won two prizes. Congratulations!

Home after seven days camping vacation are Mr. and Mrs. R. J. McMahon and sons, of 156 E. 215th St. They toured both Sequoia and Yosemite National Parks, taking advantage of the fine camping facilities and seeing all the sights. According to Mrs. McMahon, the only thing wrong with the trip was that it ended too soon.

Dedication services for the new Southern Baptist Church at 425 W. 220th St. were conducted by the pastor of the church, Rev. W. I. Lowe, last Sunday. Girls of the intermediate group returned from Camp Majesta for the occasion and told of the inspiration they had received at the hands of the camp missionaries. They also told of the fun of rowing, swimming, horseback riding, etc. After the evening services nine new members were baptized in the first baptism service to be held in the church. The children will spend this building, and has been a labor week in Los Angeles, and then of love, as most of the work the Wittenburgs plan to drive has been done by parishioners.
