Torrance Housewife Wins in Video Quiz

When she was telephoned from New York City on a nation-wide television program last week, Mrs. Lawrence Morrison, of 159 W. 220th St., answered two quiz questions correctly to win a Westinghouse pop-up toaster and refrigerator.

The telephone call was placed by Rex Marshall, master of ceremonies of the Westinghouse show, "Freedom Rings," during the broadcast from Radio City. The program is seen here over KNXT Los Angeles from 11 to 11:30 a.m. each Tuesday and Thursday.

"I was so excited," Mrs. Morrison said, "I couldn't have given them my right name when they asked me the jackpot question." And she didn't—she missed the jackpot which would have won her five major prizes.

winner when Mrs. Morrison was chosen for the call. The store won \$50 for supplying her entry blank. Mrs. Morrison said she signed up here early in June when the Westinghouse twins were visiting the local furniture store.

The bi-weekly television program is a combination of the telephone quiz game and a situation comedy in which members of the studio audience solve typical domestic problems. Telephone contestants can win up to seven appliances for answering three questions correctly with the jackpot question paying five major appliances.
