

Seamen Home After Tour

Two seamen from Lomita and one from Torrance came ashore when the light cruiser Manchester docked yesterday after six months in Korean waters. They were Wayne A. Ferrin, fireman, 1836 W. 254th St., Lomita; Leo Parker, fireman apprentice, 25538 Cypress St., Lomita, and Fred Williams, boat-swain mate chief, 1517 W. 216th St.

The Manchester will unload 100 other-Southland residents after logging more than 50,000 nautical miles during her Korean operations.

The three local seamen were aboard the cruiser when she left the harbor in January to re-enter the Korean conflict.

Plan Picnic, Square Dance In Walteria

A square dance will highlight the Walteria community picnic sponsored by the Walteria Business Men's Club, to be held on Saturday, Aug. 22, from 2 to 8 p.m. at Walteria Park, according to A. K. Muir, secretary of the club.

Supervised recreation has been planned for adults and children. Hot dogs, pop, ice cream and watermelon will be available for those who do not care to bring their own picnic lunches.

The square dance will be called by Gerald Reeser, Muir reported. A prize of \$5 will be given to the boy and girl having the best-decorated bicycles, with a second prize of \$2.50 and a third prize of \$1.

Sunday Sermon Topics Told

"Three faces seen from a prison window" will be the topic of the Rev. George F. Cain's sermon at the 11 a.m. service Sunday at the South Bay Baptist Church, which meets in the Recreation Building at El Retiro Park, Hollywood Riviera.

At the 7:30 p.m. services, his topic will be "The call of Moses." Christian Endeavor meets at 6:30 p.m. under the direction of Mrs. G. W. Stevenson, youth director.

Free transportation to Sunday school for children, which is held in the South Bay Community Christian School, 6922 W. Pacific Coast Hwy., can be obtained by calling the parsonage, FRontier 5-5469.

FREIGHT LOAD

United States Class I railroads transported 588,577,756,000 ton miles of revenue freight in 1950.

SNAPPER

"Snapper snaps snapper" could be the title of this one. When that old snapping turtle spied me crawling around with my head sticking out from under that basket he looked like he didn't know whether to fight or get lovey-dovey. I didn't want any part of either so I "shot" him and scrambled back to our store. One of our customers who just bought one of the Kodak Brownie Movie Cameras for \$39.75 came in the other day with his first roll of film he had taken. We projected his film in our projection room to see how he was doing and boy, was he happy with the results. Can you imagine having movies of your own family? And what a thrill it will be to see movies years from now of how the children acted and looked when they were little tots. Our easy terms makes it a natural to have your own movie camera.

See you next week, SNAPPER
