Congressman's Aide to Explain Democrat Plan

Harold Lane, field representative for Congressman Chet Hollifield, will explain the Democrat Party's "Dime a Day for Democracy" drive at a breakfast here Sunday morning sponsored by the Torrance Democrats, Inc.

The breakfast, to be held at 10 a.m. in the Allan-Richard Hall, 1953 W. Carson St., has been arranged to give Democrats of the area a chance to get the details of the plan to increase the membership of the Democratic Assembly.

The Allan-Richard Hall is located upstairs over the Torrance Bowling Alleys, and tickets for the breakfast are selling for \$1 apiece. Reservations may still be made by calling Lyle O'Hara at FAirfax 8-1245, or Frank Gately at FAirfax 8-3496.

The Assembly, to which the Torrance Democratic Club belongs, plans to broaden its membership and meet to select candidates, according to Mrs. Ella Schwartz, a State Committeewoman. Former Governor Culbert Olson is president of the State Democratic Assembly.

CAUTION CHILDREN

"It's September again, and September means school. As youngsters up and down the state prepare to return to classes every motorist should review, once again, the traffic rules governing schools and school buses," observes B. R. Caldwell, California Highway Patrol Commissioner.

This guy was working so hard to get a good loud oompa out of his horn that I decided to shoot before he blew a gasket. The boss had me using color film so I could catch that rosy, tuba player's complexion and believe me, with my feet stopping up the works that complexion was really rosy. A lot of people think that taking color snaps is very complicated and for the professional also. Did you know that shooting color is as simple as black and white and made for any type of camera including box cameras? Next time you're taking those birthday pictures or those extra special event pictures, come in and get the film that gives you that true color. Photography is our line so let us help you with your camera problems.

See You Next Week,
SNAPPER
