**Bears Get 20 Pounds of Fillet Mignon**

By MARY and JACK WEBB  
Frontier 53051

Well, sir, if there's one thing they can't say, it's that our Riviera neighbors don't have newsworthy things happening around them on vacations. Let us tell you about the Doug

Robbins, 135 Paseo de Gracia who with their two sons, Mike 8, and Craig 7, have returned from a 10-day camping trip to West Yellowstone. They report a wonderful time camping out and Mister Doug got in a lot of good fishing, with an assist from his two sons who each

caught one. In preparation they carried in among other succulent goodies, 20 luscious pounds of fillet mignon. Mmmmm! They looked so good that the local residents, a couple of fillet-lovin' bears, came in the first night and helped themselves. Not one or two pounds, but the whole twenty laid past the furry gourmets' palates! Although the young Robbins waited the next ten days to see the bears, the latter never showed their noses again. At least, they say, the Robbins came back with lots of fish, and a good little story about meat-loving bears.

Speaking of vacations, Mr. and Mrs. George Schneider, 686 Calle Miramar, and three of their five children, took a month's vacation trip to the east. Fritz 5, Joan 4, and Cooke 2, made the trip with their parents, while the younger ones, Hans, 2 months and Kate one year, stayed home. The Schneiders visited his folks at Rice Lake, Wis., and her folks at La Cross, Wis. While back east, they took occasion to purchase the beautifully bright new red convertible in which you see them spinning around Riviera. Their return trip included a

visit to the Black Hills in South Dakota. . . .  
Rivierans are welcoming back Mr. and Mrs. James Byrd. They sold their former home at 224 Calle de Andalucia several months ago and with their son, John, moved to El Segundo. Since then, they have decided to return to Riviera and were lucky enough to get their old home back. Welcome home, Byrds.

Mr. and Mrs. Mel Groven, formerly of 264 Calle de Andalucia, bought a new and larger home in Lunada Bay and last week moved into it, stock and four children, Christine 13, Irene 11, Alice 6, and Charles 3, all seem most satisfied with their more spacious quarters at Lunada.

Mr. and Mrs. Will Sens, 167 Via Los Miradores, and the four older of their five children, returned this week from a vacation at Crestline, Calif., where they occupied a large two-story cabin high above Lake Gregory. After the cabin-bound ones, including the rest and mountain climate.

NEW NEIGHBOR DEPT.: Meet Mr. and Mrs. R. O. Bielefeld, 256 Paseo de Granada, who moved into their Riviera home last June. Their family includes five youngsters, Barbara 15, Bruce 13, Ronald 7, Lynn 4, and Danny, 2. Mr. Bielefeld is a food administrator at Douglas. They formerly lived in Los Angeles.

Add New Neighbors: Mr. and Mrs. Jay B. Madden, of 421 Paseo de la Estrella, formerly of Los Angeles, who together with son Gregory, 7, recently moved into their new home here. He is with AIResearch, located in Southwest Los Angeles.

Adele Colea Mullen, 11, daughter of Mr. and Mrs. James Mullen, 112 Via Alameda, is a new student at Marymount of Palos Verdes.

Visitors at the home of Mr. and Mrs. Lee Scott, 146 Calle de Andalucia, recently were Dr. and Mrs. E. Lynwood Blackmun of Stockton.

Born to Mr. and Mrs. Lee Garwood, 630 Calle de Arboles, on Aug. 18 was a girl who together with her mother, Mrs. Lee Garwood, weighed into this world at Hawthorne Hospital, at 7 lbs., 3 oz. Lee Ann joins her sister Katherine, one, to make the family a foursome.

Another new neighbor, this time from Compton, Mr. and Mrs. Nicholas L. Boden, who with their three children, Deane 11, Mary Ann 8, and Nickie Jr. 4, moved into their new home at 242 Via Linda Vista on Aug.

He is a supervisor at South-ern Calif. Gas Co. The Bodens are currently in Salt Lake City, where Daddy Boden is playing catcher for the San Pedro All Stars softball team in the defense of the team's world championship title.

Mrs. Henry Miller, 155 Via Los Miradores, counsel assistant for the South Bay area Girl Scouts, reports she has openings in her training course for Brownie and Girl Scout leaders. Two Brownie courses will start this month, one on Sept. 23 at 9 a.m. and the other on Wednesday, Sept. 30 at 9 a.m., both at Redondo Union High School. The Brownie courses will be held in the adult education building in Room 10, Girl Scout intermediate class will commence Tuesday, Sept. 22, at 9 a.m. Mrs. Miller requests those interested in joining or getting further information to call Frontier 4-6785, Girl Scout headquarters, where she has her office.

Guests this summer at the home of Mr. and Mrs. Judson Weller, 728 Calle de Arboles, were her parents, who stayed about a week with the Wellers, visiting them and their grand-

children, Kenneth 10, Cathy 8, Karen 3, and Arthur 2.

Little Lynn Hamilton, 8, celebrated her birthday on Sept. 2 with a party for many of her little friends. Mrs. Hamilton emceed the big time, which started off at 1 p.m. with indoor games. Later pop, ice cream and a huge pink and white clown cake held the attention of the partygoers. Afterwards, the children were escorted to the Redondo amusement park,

where the merry-go-round, ferris wheel and other paraphernalia got a good beating. Guests included Steve Byrd, Susan Kolko, Mickey Saller, Rodney Clark, Ann McClelland and Gloria Notman.

Mr. and Mrs. Stuart Hutchinson, 412 Calle de Aragon, were aboard the SS Lurline when it sailed recently from Los Angeles harbor bound for the Hawaiian Islands.
