

The signals are called, the ball is snapped, the game is on! Twenty-two alert men trained to perfection and timed to a fraction of a second. Yes, these fellows are keyed to a high fever of expectancy. The best athletes are the fellows who live the cleanest lives on the way up. The church helps greatly in preparing men morally for just such great tests. Yes, there are Two Groups of Substitutes on the sidelines but none quite ready to deliver. Neither is there any substitute for the influence of the Church in a man's life.

There is no substitute for character and morality, for integrity of soul. The supreme demand is for the genuine and the true. You and I are on the team for goodness and for God. Our friends, our neighbors and all our classmates expect us to be ready to play to win in true sportsmanship manner. We can offer no substitute for our best. The church is a good place to learn His will for the game of life and on the gridiron. In the church we learn to live and play the Golden Rule way. Reverence and gratitude and devotion to a man's Highest Friend must be real. No substitute will do.

See You in Church TODAY!

Y Camp Group Elects Leaders Tomorrow

Delegates from nine Southern California YWCAs will gather at the San Pedro Association building tomorrow, 10 a.m. to 3 p.m., for the fourth annual meeting of the Southern California Camping Council.

Initial session will be opened with devotions led by Mrs. C. R. Halfpenny, president of the Harbor District YWCA. Election of new officers and reports on summer activities by camp director Amelia Breit will highlight morning meetings.

New officers will be installed and plans for the coming year will be discussed during the afternoon.

The Southern California Camping Council is the group which operates Camp Tahquitz Meadows, YWCA camp near Idyllwild. Women from Santa Monica, Los Angeles, Pasadena, Santa Ana, Ventura, Imperial Valley, San Bernardino, Long Beach, and the Harbor District Association will be attending the session.

In addition to the local camp committee, which will be in charge of registration and hostessing, announcements have been sent to all board members as well as to parents of last summer's campers. Anyone interested in camping is invited to attend.

84 ATTEND FIRST 186th PTA MEET

Eighty-four association members approved the budget and carnival plans Thursday when Mrs. James McMillen, new president, conducted the first general meeting of 186th PTA.

Featured speaker on the program was Mrs. Lester Montgomery, Tenth District, first vice-president, who explained the disbursement of the 50-cent membership fee and explained what PTA is.

Miss Mary McCullough, 186th St. teacher, entertained the members with a vocal solo, "I Believe," and Mrs. B. H. Colbran concluded the program with an inspirational reading.

In charge of the social hour which followed were Mesdames F. Beech, J. T. Evans Jr., W. D. Early, Bill Rose, R. Powell, Herman Eisenbeis, and W. C. Attebery. Mrs. R. Smith, art chairman, assisted with table decorations.

Question Box To Highlight Perry Meet

"What Parents Want to Know" will be answered Thursday, Oct. 15, when Perry School PTA meets at the school auditorium with a question box as its program feature.

All queries for the box may be sent to the president, Mrs. A. L. MacKenzie, 4332 W. 179th St., to the principal, Lester Foster, at the school, or may be asked during the meeting. Mrs. D. D. Kern, publicity chairman, said.

PTA activities last week were highlighted by the serving of a hot lunch of hot dogs, baked beans, cup cakes, and punch to the lower grades. Mrs. R. E. Nelson, recently ratified as hot lunch chairman, was in charge of the event.

Ratified at the same executive board session which saw the appointment of Mrs. Nelson as Mrs. Kenneth McVey, parent-education chairman.

Mothers gathered at the 17311 Prairie Ave. home of F. D. Dohner last Tuesday to sew for the Whittier Carnival. They will bring their stitching to the 4123 W. 173rd St. home of Mrs. T. R. Jackson next Tuesday, Oct. 6. "Admission" cost to the sewing bee will be canned food of a "white elephant."

Art Exhibit Opens at Greek Theatre Oct. 9

Local art enthusiasts will have an opportunity to view works by three professional artists groups of Los Angeles when an exhibit goes on display at the Greek Theater Friday, Oct. 9, through Oct. 30.

Paintings will be displayed to the public without charge from 2 to 8:30 p.m. daily, including Sundays, according to L. E. Ross, publicity chairman. The public will have an opportunity to meet the artists at a reception in the exhibit hall Thursday evening, Oct. 8.

Represented in the showing will be works by the Painters and Sculptors of Los Angeles, Artists of the Southwest, and the Professional Artists Guild at San Fernando, all groups dedicated to the encouragement of understandable art that appeals to the finer emotions, Ross said.

Sylvia Winslow, long time friend of Mrs. V. Evelyn Weback, who visited at the 618 E. Carson Weback home this week-end, will be among exhibitors at the show. Mrs. Winslow, who makes her home at the Double S Ranch in the Mojave desert, near the Kern River Canyon, is well known for her paintings of the desert and has exhibited many times at the Los Angeles County Museum.

Among others who will exhibit is Duncan Gleason, president of the Artists of the Southwest, who is well known in this area for his paintings of the harbor and his book, "The Islands of California." Another exhibitor, Van Copeland, president of the Painters and Sculptors Club, is nationally known for his paintings and is a regularly-invited exhibitor at the Metropolitan Museum of Art in New York.

A nationally-known sculptor, Henry Van Wolf, who is president of the Professional Artists Guild, also will exhibit.

Seaside Has Well-Stocked Snack Larder

Seaside-kindergarten's mid-session snack larder will be kept well-stocked, Mrs. George T. Sibley, welfare chairman of Seaside PTA, reported this week.

Every Kindergarten gets a six oz. cup of juice served with a Graham cracker at a snack period during the middle of the session to alleviate hunger and promote good health.

The school district provides the crackers and parents give funds to provide the juice at a cost of approximately \$1 per five weeks of attendance. Children bring the money to school, where it is turned over to the welfare chairman. She purchases the juice, and teachers then distribute it to the children.

LAUNDRY TIPS

It's school time again, with bright new dresses for the girls and gay plaid shirts for the boys. Right at the start, on the first day these clothes are laundered, you can veto dullness!

The things to remember are that even fast colors have their enemies — bright sunlight, hot water. Avoid these things. Always wash new clothes separately the first time, at least; colors may "run" and dim the fresh hues.

Wives Get Ironing Tips

Get out of the "horse and buggy" days of ironing, into a modern, sun-rudding ironing day!

Here are several tips you can follow for ironing comfort.

Sit down, adjusting the height of your ironing table to just below your waistline.

Be sure the ironing table has a well-fitted cover, and that it is padded with felt for resiliency.

Have a light iron in weight, one comfortable to your hand and, ideally, one with a thermostat indicating the proper heat for various fabrics.

Keep near at hand a damp sponge or brush for dampening areas that have dried out too much.

Remove bits of lint from dark clothes by the sticky side of a band of adhesive tape wound around your hand.

Sisterhood Holds Get-Acquainted Fete

A take-off on the Groucho Marx TV program, with Mrs. Joe Jacobs appearing in costume as Groucho, featured the recent get-acquainted party held by Temple Menorah Sisterhood in honor of prospective members.

Skit was arranged by Mrs. Theodore Daleil, program chairman, and followed a talk outlining Sisterhood aims made by Mrs. Sydney Siegel, president.

Current plans of the group include a fashion show to be held Monday, Nov. 16, under the chairmanship of Mrs. Herbert Schalkne.

Register Pupils Today

Registration for the Gardens Valley Jewish Center Sunday School will be held from 10 a.m. to 12 noon today at the Garden Community Center, Mrs. Rubin Belkin, publicity chairman, announced this week.

Phillip Warren, new director, will be on hand to greet parents during sign-up hours.

RETURN FROM EAST

Now returned to their 1008 Amalpa Ave. home following a four-months visit in Independence, Mo., are Mr. and Mrs. F. P. Kniesler.

The local Mr. and Mrs. were called East when her sister, Mrs. Jessie L. Martin, became ill, and stayed during the several months Mrs. Martin was bedridden until her death.

MANGER CROSS

Take me that for what you shall eat of daily. Have a light iron in weight, one comfortable to your hand and, ideally, one with a thermostat indicating the proper heat for various fabrics. Keep near at hand a damp sponge or brush for dampening areas that have dried out too much. Remove bits of lint from dark clothes by the sticky side of a band of adhesive tape wound around your hand.

Met. 6:31-55.
