5, 34, and Teen-Year Olds Mark Birthdays

By SUE BURK
Frontier 54549

Happy Birthday to Walt Ansel Jr. of Macafee Rd., who celebrated his fifth birthday with a group of his little friends. At the birthday party given by his mom, Louise, were: Donna, Clifford, and Butchie Burk, Michael Alan Renz, Rosemary Grierson, Kenny and Lee Swanson, Myra, Jimmy and Larry Mitchell, Michael Shanks, Roberta and Bobby Gartland, Gwendolyn Jones, David, Bob and Mark Kessler, Jay and Joe Patterson, Russell Sharp, Steve Donald Ansel and, of course, his honor, Walt "Stinky" Ansel Jr.

Another birthday celebrated was that of Frank Burk of Zakon Rd. At a surprise birthday party given by his wife, Sue, Mr. Burk celebrated with a group of close friends and neighbors. The guests said they weren't very hungry until they saw the huge platter of fried chicken on the gaily-decorated table. Those present to help celebrate the thirty-four years were: George Hilpert, Mr. and Mrs. Jack Mitchell, Mr. and Mrs. Wilshire, Mr. and Mrs. B. F. Renz, Mr. and Mrs. Richard Grierson, and Mr. and Mrs. Roland White. After cake, served with apple cider (not hard either) and coffee, the rug was rolled back and a good polish job went west. Mr. Burk stated: "Boy, this is terrific!"

A group of women from the South Bay Christian Church met in the home of Mr. and Mrs. Frank Renz of Zakon Rd. last week. The missionary group composed of the hostess, Mrs. Alpha Renz, and Mademoiselles Flancy, Pettie, Gook, Beall, Roggs, Gryka, Whaley, Killingsworth, Cooper, Miller, are working to raise money for the different missionaries from a far that need help. Also, the group makes things for the children's

Several women have mentioned the fact to me of so many sand fleas and ants about the yards in this neighborhood. Since these pests are so dangerous to the children's health, I have a handy hint. On any sandy part of your yard, keep the space well watered down for a few days. Don't know what it is with the water, but it certainly works in driving the little pests away.

Representative To Reveal Park Survey Details

Details of a recent recreational survey in the Keystone area will be revealed by A. L. Tillman, a representative of the County Department of Parks and Recreation, at a meeting of the Keystone Civic Betterment Assn. to be held Nov. 2 at 7:30 p.m., according to Mrs. Bernice Roller, secretary.

Tillman will meet with homeowners in the area at the home of J. G. Caldwell, 22120 Moneta Ave., and will tell the findings of a survey on the recreational facilities available for youngsters and teenagers.

All interested residents, particularly parents of children living in the Keystone area, are urged to attend the meeting.
