Monkey Up a Tree
Stirs Carsonites

Well, it's been another beautiful day, and one of great excitement for our neighborhood. The children found a monkey on the porch over at Cayton's and rushed home to tell me! As any mother knows, I'm used to being told there are elephants in the bushes and mice in the oven, so I said: "That's nice. Run and play!" Then they screamed: "But there really is a monkey over there!" Sure enough. A little spider monkey had run away from home and was eating a stolen lemon in Aronoff's tree! Investigation proved the little fellow belonged to the Wittenberg family on Figueroa. As I write this, neighbors have gathered and are offering all sorts of advice on how to lure him down. I'll let you know at the end if they catch him.

Speaking of the Caytons reminds me that they have a lovely first grandchild, Son David, who is the magazine chair-

man for Carson St. PTA, and her trouble is glory! Her phone number is Terminal 4-6600.

Also making merry for birthday reasons was Timmy Carter, 2125 Carolale, who treated friends to wiener bake on the occasion of his eighth birthday recently. About 20 friends were on hand to christen the new barbecue, and to witness Timmy's handsome new Cub uniform, gift of his parents, Mr. and Mrs. Roy Carter.

It is with deepest sympathy that we report the death of Mr. Gee Kendrick, who passed away at the Harbor General Hospital with pneumonia recently. Formerly a resident of the Carson district, Mr. Kendrick resided in WALTERIA for the past year. His funeral services were conducted from the Assembly of God Church in WALTERIA on Thursday, Nov. 19, at 10:30 a.m. Although death is sad, Mr. Kendrick had lived a good full life, and we feel sure he would have been glad to see his children gathered from all over the United States. He is survived by Mrs. F. Stevens, 2221 So. Moneta Ave., his children here for the funeral came from Wichita, Kan.; South Dakota; Macedonia, Tex.; and Santa Barbara, Calif. His grandson, Stacey Stevens, 1138 on leave from Fort Ord for the funeral. He is survived by his widow at the home.

Turned on the television the other night, only to be greeted by little Randy Gilbert's face and found out that the Cub Scouts had Dens 5 and 3, Park 230, were on the "Webster Web-foot" program that evening. The boys enjoyed the program but were more interested in all that goes on behind the scenes at a TV broadcast. Cub Scouts interviewed were Ted and Timmy Carter, Randy Gilbert, Edward Sadler, Terry Schook, Terry Fraser, David Stewart, and Steven Frieled. Making the trip with the boys were Den Mothers Mrs. R. Fleming, Mrs. R. Gilbert and mothers Mrs. Stewart and Mrs. R. Carter.

The Carson St. PTA held its Regular Board meeting last Thursday morning, and discussed plans for Christmas. Food orders will be given to families on the welfare lists. The revised by-laws were read and will be presented to the whole association on Thursday. It was also decided that a box would be available at the regular meeting for clothing that members would like to donate for welfare purposes. The meeting was followed by a pot-luck for the faculty, and all were pleased when Mr. Carter, and several members of the Dolores St. staff came over for the lunch.

Incidentally, the little monkey is still up in the tree, but own home tonight.

You don't say!

You mean that some folks have "lazy dollars" which are earning little or no return? I'd tell those folks to put their dollars to work in an insured savings account at this association. Their money earns a good return while it is insured by the Federal Savings and Loan Insurance Corporation. If you have lazy dollars, put them to work now. Save where your money is safe and earns a good return.
