# KNIGHT IS RIGHT

## FOR CALIFORNIA

**THE AFL SAYS:** "There is only one candidate for Governor who is worthy of Labor's support — Goodwin J. Knight!"

**TAXPAYERS SAY:** "Knight doesn't just talk a good job. He does it. He said he wouldn't ask for more taxes while millions lie in the State vaults — and he didn't. He submitted a careful, constructive economy budget — and won legislative backing for it."

**BUSINESS SAYS:** "California's governmental training system has given Goodwin Knight 7 years of experience, as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Governor Knight's record proves that it works in Government!"

**Let's not trade a man who knows the job — for a man who's willing to learn."**

**PARENTS SAY:** "Governor Knight cracked down on the youth-destroying narcotics traffic and made the first move in 20 years to clean up liquor control!"

**GOVERNOR KNIGHT SAYS:** "Government's true function in a democracy is not to rule, but to serve — with humble respect for the God-endowed rights of each individual citizen."

**DEMOCRATS SAY:** "The Cornerstone of Democratic Government is not the Party — but the Man. And this year the Man is Knight!"

**ON ELECTION DAY — JUNE 8 — ALL CALIFORNIA WILL SAY KNIGHT IS RIGHT FOR CALIFORNIA!**
