

Korean Veteran Home for Visit

By Sue Burk
FR 5-4549

Gosh, school has started again summer school that is. The children again rose early on Monday morning to be in school before the tardy bell rang. Classes began at 8:30 a.m. to go full steam until 12:50 p.m. Most of the teachers that taught through the year will be with the kids during their summer classes. I've an idea that the kids will have a lot more fun in summer school than they did in regular classes, right kids?

Mrs. Margarette Whyte of the Ranchos is now the new Den Mother for Cub Scout Den 3, Pack 726. We know that Mrs. Whyte has been den mother many times before and feel sure that she will continue to be a helpful guidance for all those boys who are in her den.

We have heard by the grapevine that Mr. and Mrs. Zervanian and children of Sharynne Lane have sold their home and are soon to move away from the Ranchos.

A new issue to give worry and trouble has arisen in the home of Mr. and Mrs. Larry Tackabery of Sharynne Lane. But this little worry will gladden the hearts of mama and papa many times over before she is grown. Born close to the last of May, little Nancy Martha Tackabery came to live with her sister, Patsy and her brother Stevie, a couple of weeks ago. Nancy tipped the scales at 6 pounds and 13 ounces. May I wish both Larry and Evelyn congratulations on the happy event. And really kids, she won't give you too much trouble; eh!

Dental Tech. 3rd class, to match by the mothers for

Leonard B. Blain, who has served with the Fleet Marines in Pohang, Korea, for the past fourteen months is happy to be at home in the good old United States of America again. Blain is with his sister and brother-in-law, Mr. and Mrs. William Panick, of 5232 Zakon Road. Blain will be with us for eight months before he has to go back overseas. He attended Redondo High School, but left for the service in 1941. Happy home-coming to you, fellow, and in hopes of fun seeing the old hide-away's while you are home. Here is hoping that some of your old friends see this column and will be around to talk about old times.

At the Scout Mothers Club meeting held June 16th at the home of Mr. and Mrs. Bob Graham, of 4710 Sepulveda Blvd., in the Sepulveda Gardens a listing of new officers was elected to take over for the year 1954-55. Officers elected were: Madge Graham, as president; Margarette Whyte as vice-president; Sue Burk as secretary; Marian Colby as treasurer; Bonnie Evans as historian; and Sue Burk as news chairman. An executive board of six ladies was elected to serve as a committee on important issues to arise outside of regular meetings. Their names are Merle Holstin, Virginia Naumann, Margarette Whyte, Janet Wood, Helen Morris, and Mildred Muldoon. Discussion of the Old Ladies home in North Redondo was held and some problems brought to light by our president, Madge Graham. The Old Ladies home has been and will continue to be one of the projects of the Scout Mothers Club. Presently to Madge Graham were a pair of pedal pushers and shirt to match by the mothers for

being an excellent president for the year of '53-'54. Alma Kissell was presented with a two-pound box of chocolates as outgoing treasurer. Those present to partake of Dutch apple pie and coffee were: Alma Kissell, Janet Wood, Bonnie Evans, Merle Holstin, Margarette Whyte, Mildred Muldoon, Jane Parent, Sue Burk, Helen Morris, Marian Colby, Virginia Naumann, Yvonne Raiche, Virginia Campbell, Elsie Westcombe, Louise Ratcliffe, and Madge Graham. The meeting for next month will be held in the home of Mr. and Mrs. Wood, of the Ranchos.

Sorry to report that Mrs. Merle Holstin of Zakon Road is feeling bad. Colds can crop up even in hot weather.

Enjoying a family reunion picnic at Banning Park in Wilmington, California, were Mr. and Mrs. B. Frank Renz and son Mike on this Father's Day holiday. Family present at the reunion were: Mom and Dad, Mr. and Mrs. J. H. Parker of Keystone, Mr. and Mrs. H. J. Parker and daughters, Patricia, and Pamela of Long Beach, Mr. and Mrs. C. C. Bacon and children, Shirley and Charles of Upland, California, Mr. and Mrs. W. B. Ferguson and children, Shelby and Greg of Portland, Oregon, Mrs. Fred Stewart and grandchild, Virginia of Roseville, California, and aunt, Ann Stewart and nephew, Richard Stewart of Los Angeles. Incidentally, Mrs. Alma Ferguson is a twin sister to Mrs. Alpha Renz. Bet everyone had lots of fun, for these reunions are always big deals.

That's all this time; see you next week and happy summer vacation.

FARMING ERROR
Development of America's great plains was delayed for years by the mistaken idea that land which would not have trees on it would also be worthless for the growing of crops.

Full Summer Planned For 'Y' Day Camp

Trips, swimming instruction, team games, movies, handicraft—all form a part of the Torrance YMCA Day Camp summer program which opens Monday for its first three-week period.

With the purpose of providing inexpensive and educational recreation for boys during the summer, the camp is divided into three periods: the first two run for three weeks and the last for two.

Swimming instruction at the San Pedro YMCA, trips to places of interest in Southern California, water safety in the ocean, team games, individual games, movies, handicraft and an overnight camping trip to Camp Archie Shields in the Palos Verdes hills comprise the major activities.

Ride In Trucks
Boys are picked up in trucks near their homes for the 9 a.m. to 5 p.m. programs. Director of the Day Camp is Cliff Graybehl, head football coach at Torrance High School and advisor to the staff is Stan Roberts, 'Y' executive secretary.

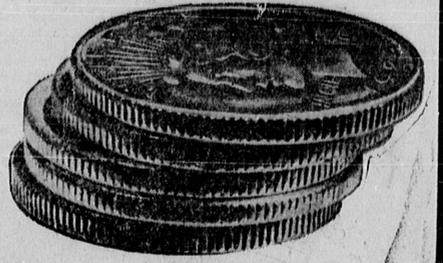

Assistant directors are Al Roberts, El Camino athlete, and Jerry Moore, ex-Narbonne High student now at UCLA. The remainder of the staff is composed of student leaders and athletes from Torrance High. They are Kenny Wheat, Larry Lippincott and Gerald Bloomfield.

Parents can contact Graybehl at FA 8-1272.

HEAVY POPULATIONS

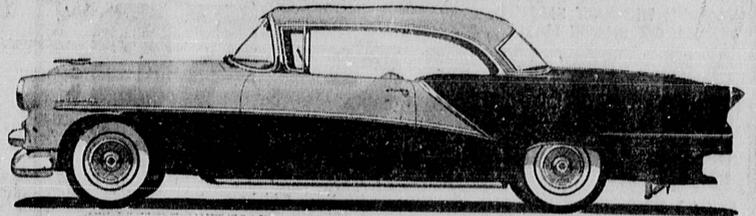

Europe has an average of 207 persons per acre, compared with Asia's 122, North America's 23, South America 16, and Oceania's 5, according to the National Geographic Society.
