# Pair Back From Early Vacation

Teo Cunningham Davenport 6-4678  
When the Fourth of July has come and gone we know for sure that summer vacation time is well on its way. Among those

enjoying an early vacation were Wilma and Larry Brown of 2059 Reynosa Dr. The Browns returned last Sunday from a three-week tour of Idaho and Montana where they stopped off in Fruitland, Idaho, to visit with Wilma's parents, Mr. and Mrs. F. W. Colwell. From there they motored to Missoula, Montana, to spend some time with Larry's folks, the Dean Browns. They also got in a few days relaxation and fishing at Flathead Lake. On the return trip they came by way of Glacier National Park where they stopped to chat with Wilma's sister and her husband, Mr. and Mrs. Emmett Davis. Wilma reports that it was a wonderful trip but it sure was nice to get home again.

Heard the other day that Karen Lucas' vacation with relatives in Martin's Ferry, Ohio was only a little dampened by her siege of measles... now that she is all "un-spotted" again she is enjoying herself as much as ever. Karen is the daughter of Joe and Velma Lucas of Huber St.

Had a real nice surprise last Tuesday evening... I had just gone to bed when the phone rang and who should it be but the mother of one of our closest girl friends while attending the University of Minnesota. Mrs. Winifred Sturte of Minneapolis was right here in Torrance visiting with the parents of Ruby and Gus Rethwisch and learning that Teo lived just up the street from them, she stopped by for an hour's visit. It had been nearly nine years since we had last seen one another. It was a most pleasant chat, catching up on all the details of the happenings and reminiscing about the time that the Sturte house was a second home to Teo. Mrs. Sturte left the next morning for Santa Monica, then went on up to Frisco before returning to her son's home in Phoenix, where she plans to spend the rest of the summer.

Another young lady celebrating her natal anniversary with a party was Marcella Lucero, the "now" eight-year-old daughter of Levi and Edna Lucero of 1706 Scilling Dr. Marcella entertained about 20 of her schoolmates, cousins, and neighborhood playmates, in the back yard of her home last Wednesday afternoon. The birthday girl's older sister, Viola, told each child's fortune after which they played games. A big cake decorated with an equally big "HAPPY BIRTHDAY" was later cut and served with ice cream, candy and punch.

Bill and Miriam Stolz of Middlebrook Rd. returned from the home of Maxine and Neil Hoppe on Calamar St. However, Maxine and Neil did take time out from their painting to entertain Mr. and Mrs. Laurent Pineault and daughter, Lauren, of Norwalk last Sunday.

The first of what they hope will be many such get-togethers this summer was the wieners-roast held one evening last week at Playa Del Rey by a group of the "young married" crowd. Jess and Del Walls, along with sons Pat and Jerry, of Reynosa Dr., George and Sue Witz, and children Georgie and Marilyn, of

Huber St., Nina and Bob Fulford and son Bobby and niece and nephew Patty and Steven, of Middlebrook Rd.; Bonnie and Richard Black and daughter Carol, and Mel and Bobbie Froom and youngsters Judy and Jimmy, all of Gardena, composed the group which enjoyed the evening. A special treat and surprise was the freezer of homemade ice cream that Nina and Bob Fulford brought along.

New arrival Donald Edward Nelson is the cause of all the excitement in the home of Hilton

Torrance Man Aboard

The Begor, with the Pacific fleet, is used for escort work, anti-submarine warfare, control of amphibious landings, and carrier of the Navy's "Frogmen."
