HE DROVE RIGHT IN . . . When Doyle Webster Settle, 24, Los Angeles, swerved to avoid hitting a bus Monday morning near Redondo Beach Blvd. and Osage Ave., his car went out of control, jumped the curb, and smashed into the side of a house at 4102 Redondo Beach Blvd. Settle suffered only minor injuries, and no one was in the house, owned by C. R. Laraway, at the time. (Photo by Florence D. Wyman)

How can you offer such low rates and still give complete protection?

That's a good question, and we have the answer. State Farm Mutual Automobile Insurance Company steers to insure only careful drivers. Careful drivers have fewer accidents. You pay the self-insuring cost only once—that's the kind of insurance State Farm is famous for. So it costs State Farm less to do business, and because State Farm is a mutual company, the policyholders get the savings. If you don't have this low cost dependable car insurance, call FA 8-3803 or FA 8-3804 and let your State Farm agent show you how you can get complete protection—at low cost!
