

Cars Smashed; Glare Blinds Auto Driver

Considerable damage to both autos was the result of a traffic collision at Hawthorne Ave. and Torrance Blvd., Thursday evening, according to Torrance police.

Henry W. Guenther, 51, of Hermosa Beach, told Traffic Officer H. B. Ingram he was traveling north on Hawthorne, stopped at the stop sign, and proceeded through the intersection when his car was hit by another.

Driver of the second auto, traveling west on Torrance Blvd., was listed as Earl W. Root, 64, of Bremerton, Wash.

Root told investigators that he was blinded by the sun and did not see the stop sign.

Both autos were towed away. No one was injured.

Singers Tell Dates, Times For Songfest

Interest in Los Angeles city-sponsored community sings has hit a new high, and a revised list of hours and dates has been published.

All sings are open to the public, without charge, and consist of an opening period of community song followed by special programs staged by talented entertainers.

El Retiro Park Opens For Afternoon Play

Opening of El Retiro Park in the Hollywood Riviera district for after-school programs between 1 and 5 p.m. was announced yesterday by Recreation Director Harry Van Bellehen.

The park will be opened under the supervision of Valerie Daniels each day, Van Bellehen said.

Supervised play programs will be offered for the time being and a crafts program will be added later, the recreation director said.

"AND OVER HERE . . ." Conducting a guide tour for incoming freshmen around the Torrance High School campus is teacher John Hudson. All freshmen were shown their new week-day home, and received counsel from freshmen problems teachers at Orientation Day last Friday.

Electricity serves you... wherever you go!

You'd find it hard to list all the ways electricity serves you in your home—and even harder to list the services you get away from home.

Let's take, for instance, where you work. It is safe to say that electricity brings you light for seeing, air-conditioning for comfort, and power for machines which help you do your work more easily.

Today there isn't a store, office or factory which doesn't have at least some of these electrical aids. They're an important part of your electric service—helping to make your living better, every day.

1954 is LIGHT'S DIAMOND JUBILEE YEAR the 75th birthday of electric light.
