RIGHT AROUND SEASIDE

**PTA Meeting Slated for Oct. 14
By Seaside Elementary School**

By SUE BURK
FR 5-4549
The weather—reports have it that we will see sunshine some of these days. Right now and for the past few days all I have been able to see is dreary days. Recuperating from colds this week are Rosemary "Clancy" McClune and Donna Lee Burk.

Correction notice from the Seaside Elementary School. The Parent-Teachers Assn. meeting will be held on Thursday, Oct. 14, not Oct. 8 as announced previously. Hope lots of you mothers and fathers will make it a good habit to turn out for the Parent-Teachers Association meetings this year. The PTA cannot do it alone. It is up to the parents to help us make this one of the best years at Seaside.

Right out of the books—excuse the pun. Born to Mr. and Mrs. George H. Benstead of the Pales Verdes Apts. in Hollywood, Riviera was a real cute d'ol' oney Victor E. Benstead III. Weighing in at seven and one-half lbs., Victor came to mama and papa on Sept. 21. Mrs. Benstead was kindergarten teacher at Seaside Elementary School. Congratulations to a very nice couple on their accomplishment.

The first meeting of room mothers for the year was in the school auditorium on Sept. 29. Speaking to the mothers were Mrs. Welliver, PTA president; Jean Walker, leader; and Mr. Allen, vice-principal of Seaside School. All spoke to the ladies on forming good, close cooperation with all rooms. There will be a run-down on all the ladies acting as room mothers later this month.

The little thing that makes all the noise issuing from the Sam Powell home, at 6012 Sharynne Lane, is their new baby. The new arrival, born to Mr. and Mrs. Sam Powell Jr., on Sept. 26, is Thomas Patrick Powell, who weighed six lbs., 14 oz. at birth. Proud grandparents are Mr. and Mrs. Sam Powell Sr., of Inglewood, and Mr. and Mrs. H. B. Corrigan of Hemet, Calif. Congratulations to the proud mama and papa.

A birthday party to help little

four-year-old Kathleen Muldoon celebrate the wonderful occasion was held on Saturday in the home of her parents, Mr. and Mrs. Hal Muldoon, of Sharynne Lane. Helping Kathy to celebrate were Mrs. Robert B. Evans, and daughters Valeria, Vicki, and Holly; Mrs. Elgin Logsdon and daughter, Janet; Mrs. Sam Powell and son, Andy; Mrs. E. A. Reynolds and son, Jimmy; Mrs. Walter Hale and daughters, Irene and Susanne; Mrs. Sam Estes and son, Jack; Mrs. Robert F. Evans and daughter, Barbara Jean; Mr. and Mrs. Jack Mallory and daughters, Robin and Jill; Mrs. Al Loveless and daughter, Linda; and Kathy's brothers, Hal, Ralph, and John. While Mr. Mallory took color movies of the kiddies, Mrs. Muldoon served lunch and a beautifully decorated cake. The cake carried the circus motif with all decorations for the party following the same line. Kathy's gifts included jacket and cords, doll, little black patent leather shoes, pajamas and lots of other nice gifts. Happy birthday to a dear little girl.

The week-end was a busy one for Mrs. Hal Muldoon. She entertained Mrs. Robert B. Evans, Jack Mallory, Warren Schank, Sam Powell, Jack Warner, E. A. Reynolds, Walter Hale, Sam Estes, Robert F. Evans, and Ed Goulart at her plastic ware party held on Friday, Sept. 24. We hear by the grapevine that all enjoyed a lovely time.

Help! Help! Help! We are going down for the last time! Going down the list hunting for three new den mothers and two new assistant den mothers to help us out in the Cub Scout program. The Cubmaster is Ted Drake, and his assistant is Bob Parke. We need these five ladies to take a short training course and help us to teach our younger boys Scouting. Please get in touch with these men and offer your services to Troop 726-C of the Cub Scouts of America. Boys wishing to join Cub Scouts have to be eight years of age for Cubbing and 12 years for Scouting.

Someone else needing your help is Mrs. English, a Brownie leader of the Girl Scouts. Mrs. English is asking for two new

Brownie leaders and two co-leaders. Won't you please give her your help? There are at least 2000 homes right around this area. Out of these homes come at least one boy and girl for the Scouting program. A handful of grown-ups have up to now been putting in double hours of their time to help in this program. They need your help in continuing the work with the children. Won't you volunteer for this job? Girls may start in Brownie activities at seven years of age.

Mr. and Mrs. Lawrence Butler Sr., from Niagara Falls, N. Y., are visiting in the home of Mr. and Mrs. Robert Palmer, of Pasadena de Granada, in Hollywood, Riviera. Mr. Butler is retired from his post after 30 years as United States Customs Inspector at the United States-Canada border. Mrs. Palmer is one of the three children born to Mr. and Mrs. Lawrence Butler Sr. Thrilled with their visit to California in 1951, the Butlers decided to try out the sunshine again. We hope they are

reasonably satisfied with our state again on this visit. Happy visiting days to all of you during your stay here.
We see that Mr. Greg Varley of Doris way is on a business trip to Florida. Hope he has a nice trip and comes home early.
Again in the school news. The assembly Friday morning will be on Fire Prevention under the direction of Mrs. Phyllis Kincaid. The Seaside Elementary School enrollment now stands at 919 pupils.
