

Two Gala Parties Highlight Week-end in North Torrance

By VERA C. WRIGHT
FR 2-2288
Leading off the season's glamorous gatherings was Mrs. T. Norman's wedding reception given for her sister-in-law, Mrs. I. Woodard and brand new husband. Greatly impressed and enjoying the affair was Mrs. Russell Norton, of 4170 W. 190th St., who used to be Mrs. Woodard's neighbor.

Joseph C. Phoenix, of 18436 Roslin Ave., celebrated his birthday on Nov. 1. Mrs. Phoenix is still recuperating from her accident, but is happy in the knowledge that she will be a grandmother by Christmas time.
Joining the Metzler household on Oct. 31 was 6 lb., 9 oz. Cynthia Frances. She is the daughter of Mr. and Mrs. Carl Metzler, of 3904 W. 182nd St.

Well-meaning neighbors after reading my column dropped in to wish him well. We are indeed very sorry, Mrs. Johnson, that we caused you any discomfort.
Froudest mothers in North Torrance were Pluffy Bradlett and Mary Smith. Happiest Cub Scouts in the community were: Den 6 of Pack 953-C, who were feted by Den Mother Brackett and co-hostess Mary Smith on Saturday, Oct. 20. Persons in costume who attended were Barry Brackett, Frances Felbusch, David Jester, Jan Foster, David Smith, Christine Killian, Reggie Gowin, Beverly Timmons, Eddie Campbell, Gary Wagner, Kathy Brackett, Jack Smith, and Alan Brackett. Amidst the decorated garage which the boys decorated themselves was a skeleton, jack-o-lantern, witches, cats and other items representing Halloween; all the guests bobbed for apples, ate donuts on strings and performed other stunts which earned them crepe paper leis, flowers, trick cigars, and neckties. Refreshments consisted of hot dogs, potato chips, chocolate drinks, cupcakes and candy.

At a recent bridge party, Eald Runsted won first prize and Mary McLaughlin ended up with a booby prize. Twila Stoner, Virginia Kern, Dottie Hall, Barbara McGeachy and Louise Thompson also attended.
Unfortunately, the person who gave me the auto mishap information on Mr. William Johnson, of 4243 W. 178th St. last week, did not realize that he was in a critical condition at that time.

Second of these glamorous soirees was the NTCIA dance held Saturday at the Alondra Club to celebrate their fifth anniversary. Semi-formal attire was predominant among the crowd.
The Policeman's Ball is scheduled for Nov. 19, and the money realized from this benefit will be used for furthering the TAP organization.

While Erich Schuster was off to Desert Springs with the John Metzlers, Therese Schuster was off shopping with daughter Erica, who was sporting some lovely earrings. Mamma decided to purchase a lovely dress to wear to the Albert Erd Los Angeles wedding reception next Sunday.

Social Security To Aid Workers

The Amendments to the Social Security Act which President Eisenhower signed into law on Sept. 1 are of particular importance to both farm operators and farm workers in Los Angeles County. J. G. Bretherton, Manager of the Long Beach Social Security District Office, said yesterday.
The new law extends social security protection to almost all farm families after this year. Nationwide, about 600,000 self-employed farm operators will be covered for the first time in much the same way as other self-employed persons already under the program. Approximately 2,000,000 hired farm workers will start building old-age and survivors insurance protection for themselves and their families on Jan. 1, 1955.
This means that by the time they have worked through two more crop years, elderly farm people may be insured, so that they can receive monthly social security checks after age 65. A farmer's family will be protected, too, so that if he should die, at any age, the widow and young children would receive monthly payments.
For a retired farmer and his wife, the payments will be from \$45 to almost \$163 a month, depending upon his earnings, while the family of an insured worker who dies will receive from \$45 to \$200 a month.
The amended law goes away with the complicated "regularly employed" test whereby a worker had to be continuously employed by a farm operator before his work started to count toward social security. Also eliminated is the provision that he must then be employed by the same farm operator on a full-time basis for at least sixty days during the following quarter.
