'Soul and Body' Is Sunday Text

That spiritual law is practical and available to meet human needs, as Christ Jesus proved, will be brought out at Christian Science services Sunday.

"Soul and Body" is the subject of the Lesson-Sermon. Selections to be read from the Bible include an account from Mark's Gospel (1:21, 22, 30, 31).

Jesus "entered into the synagogue, and taught. And they were astonished at his doctrine: for he taught them as one that had authority." When he came out of the synagogue, he found that "Simon's wife's mother lay sick of a fever. . . . And he came and took her by the hand, and

lifted her up; and immediately the fever left her, and she ministered unto them."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures," "Like the great Exemplar, the healer should speak to disease as one having authority over it, leaving Soul to master the false evidences of the corporal senses and to assert its claims over mortality and disease" (p. 395).

The Golden Text is from Psalms (73:26): "My flesh and heart faileth; but God is the strength of my heart, and my portion for ever."

YMCA Plans Turkey Shoot
