**Yule Decorations Needed**  
 Those big red chimneys set up at Parrish Stations 1423 Marcelina and at the Bank of America, Post and Sartori Ave., are there to give you a chance to share in the joy of bringing a brighter Christmas to the 198 TB patients at the General Hospital. The local Recovery club, made up of ex-patients, is endeavoring to decorate the 11 wards at the hospital. Permission is granted to adorn the wards for only three weeks during the year and that is at Christmas time. The club itself will decorate two wards and are in dire need of more Christmas decorations. Anyone wishing to assist may drop their package of Christmas decorations in either of the big chimneys in the two local business houses—thereby sharing in the true spirit of Christmas. Mrs. George Heaton is in charge.
