

Area Expects Good Year, with New School, More Businesses

By BETTY MITCHELL
DA. 6-4438

This year should be a big one for this area. A look backward shows how much growth was recorded during the last year—with lots of new shops, a market, and Post Office, as well as a taxi. More business seems to be coming this year. In February, Hillside School will open and some of the children will be able to return to all-day sessions. Social clubs, as well as the Businessmen's and Businesswomen's clubs, are planning even more activities.

A week of vacation activities was happily spent by LaDean and Diane Lowry, of Crickwood St., daughters of Mr. and Mrs. Ralph Parsons. They spent some time at the home of their aunt and uncle, Mr. and Mrs. W. H. Gill, and also at their cousins, Mr. and Mrs. Don Gill, all of whom live in Long Beach.

Mrs. Lucille Howey, formerly of Winlock Dr., recently had a baby—little Bonnie Lynette, who weighed a husky 9 lbs., 6 oz. at birth.

Mr. and Mrs. John Chaudano of Crickwood St., had a happy holiday indeed when Mr. and Mrs. P. D. Earhart, of Santa Ana, came to visit.

The Earharts are Mrs. Chaudano's parents. Other company adding to the joy of their day was Mrs. Charles Chaudano, of Los Angeles.

A holiday party for their Troop 892, was enjoyed by the Girl Scouts, accompanied by their leader, Mrs. Nannery, as they went roller skating. About 20 girls enjoyed their outing.

Mr. and Mrs. A. H. (Bud) Fuller, of Winlock Rd., also had welcome company during the holidays when Mr. Fuller's parents, Mr. and Mrs. A. H. Fuller Sr. came to visit from their home in Averill, Vt. The senior Fullers plan to spend the winter months in California.

A surprise last visit was paid Mrs. JoAnne Stark, of Danaha St., when hubby put in an unexpected appearance on New Year's Eve. George was able to spend New Year's Day with his family, returning Sunday to Fort Ord. He is now on his way to Japan or Korea with the U.S. Army.

Among those in our community who went to see the Rose Parade were Mr. and Mrs. Bert Moeley and a group of foreign exchange students, Max Willmann, Germany, who lives with the Moeleys, and three students from Palos Verdes were both

amazed and entertained. A portable grill and hamburgers made the morning pleasant. Max, by the way, has had a very busy holiday season. After speaking long distance to his mother in Germany on Christmas night, he left for San Francisco where he attended a gigantic Christmas party given for all the exchange students in the western states under the sponsorship of the American Field Service. The gaily decorated streets, a brand new custom to them, impressed the students most.

A Happy New Year's Eve party was one held at the home of Mr. and Mrs. J. F. Hardesty, of Crickwood St. The party was a combination pot-luck dinner and game evening, with Mr. and Mrs. Ron Maynes; Mr. and Mrs. Jim McNeill; Dr. and Mrs. Arthur Lepon, of Wilmington; Mr. and Mrs. Roger Geener, and Mrs. Doris Eachtis, all joining in on the fun. A lot of laughs were provided when each couple presented the game they brought with them as their contribution to the evening.

Mrs. Carl Cramer, who has been such a fine leader and president of the local PTA, has been forced to resign the position due to doctor's orders. She will be sorely missed. Taking her place, however, is another very well-known and active person, Mrs. C. W. Johnson, of Newton St., who has been active in the PTA for a number of years and will supply the leadership needed for the position.

Mrs. Betty Essex, of Crickwood St. was more than pleasantly surprised last Wednesday, when she was given a shock shower by the doctors' wives of the Osteopathic Society of Long Beach. The shower followed the regular meeting of the society which was a dinner meeting at the University Club of the Hotel Lafayette. Thirty-six members of the society were present to give her lovely gifts.

Still another New Year's Party was the one held at the home of Mr. and Mrs. Bob Cramer of Los Cadenas Ave. Mr. and Mrs. John Chaudano, and Mr. and Mrs. Roy Cornell, Mr. and Mrs. Stewart Rose, Mr. and Mrs. Jim Gaz, Mr. and Mrs. Jerry Anderson, and Mr. and Mrs. Bud Fuller, all joined in on the fun there with games, cards, dancing, and a delicious buffet supper of ham and potato salad all going to make a most enjoyable evening.

A most welcome guest at the J. F. Hardesty home on Crickwood St., recently were Mr. and Mrs. F. B. Hardesty from Detroit, Mich. They are Hardesty's parents, and came to see the new grandson, and enjoy Christmas in sunny California.

A holiday visitor at the Dalley home on Winlock Rd. was Arthur Thorpe, of San Francisco. Mr. Thorpe is Mrs. Evelyn Dalley's father.

Mr. and Mrs. Al Heintz, of Nece Ave., spent Christmas away from home when they went to spend the holidays with Mrs. Heintz's sister who lives in Ploche, Ne.

sandwich "fixings" made the evening a very happy one.

An interesting jaunt was taken recently by the R. M. Harrisons of Los Cadenas Ave., when they visited the observatory at Mt. Palomar.

Luncheon guests for a recent party at the home of Mrs. Margaret Dowd, of Nece St., were Mrs. Marguerite Nuckles; Miss Frances Bandel, of Los Angeles; Mrs. Jessie Harvey, and Mrs. Ethel Mosley. All enjoyed a luncheon of ham, salad, hot rolls, and upside-down cake.

BIRTH FACTOR
About nine out of ten babies are born in U.S. hospitals now compared with four out of 10 about 28 years ago, according to recent figures of the medical fraternity.

\$4 BILLION FOR A RAINY DAY!
That's how much Californians are now saving in our bank—\$4,078,274,433 as of the end of the year. Part of this money will make the hopes and dream of thousands of people come true this year. The rest will be saved for a "rainy day" or to help thousands more build their plans for the future. If all this money were allowed to remain in our bank until the end of 1955, it would earn \$81,565,488 interest. And that's another good reason for saving at Bank of America—the 2% bank interest. If you don't have an account with us, we invite you to open one now!

WHAT WOULD YOU BUY WITH \$1,965,000,000?
We have a pretty good idea of what was bought for that amount of money during 1954—for it's the approximate amount of Timeplan and other installment credit loans made by our bank last year. A good share of it went to pay for automobiles, household appliances, home improvements, Christmas gifts and many other worthwhile things right here in our town. If you need money at any time during 1955, Timeplan may be your answer, too.

HAVE YOU "CHECKED" YOUR NEW YEAR'S RESOLUTIONS?
Chances are by now you've forgotten most of them. Many of our friends this year decided to open Bank of America checking accounts to help them keep better track of their money—the kind of resolution that can be worthy a great deal in terms of thrift and convenience. If you haven't yet discovered how much Bank of America checks can mean to you, come in and let us explain the merits of either a regular or Timeplan checking account.
