

**SMOOTHER WATERS**

The Atlantic Ocean is considered calmer than the Pacific although it has waves up to 60 feet high. The Pacific affords a greater sweep for the winds.

**BLUEPRINT CLASS OPEN**

Blueprint Reading course will be given at Torrance Evening High School on Tuesday and Thursday evenings from 7 to 9:30. Under the direction of Lloyd D. Brady, tool engineer at National Supply Co., the class is open to anyone interested in learning to read blueprints. This basic blue print reading course is a pre-requisite for further drafting training and

will include such subjects as theory of graphic representation (reading of drawings, lines, invisible edges, oblique surfaces, cylindrical objects, sectional views; dimensions and tolerances; standard drafting practices. Further information on this course may be had by calling Torrance Adult School, FA 8-2272 of FA 8-2273.

**New Spanish Course Begun**

Another course in conversational Spanish has been added at Torrance Evening High School, Dr. Vernon Sheblak announced Friday. It emphasizes speaking Spanish rather than grammar and book work. It is held Monday evenings from 7:30 to 9:30 at Torrance High School, and began last Monday. The instructor is Richard H. Madden, a former banana plantation overseer in Honduras, rice plantation superintendent

**Society Needs Large Clothes to Distribute**

Women's clothing in larger sizes is needed by the St. Vincent de Paul Salvage Bureau. It was reported by Albert Tassi, general manager. Most clothing needs of women and children are being met, Tassi said, but there is a shortage in larger sizes for women and in all sizes for men. Household items can contribute unused clothing, furniture, household goods and old newspapers by calling TE 4-4533.

**State to Put Signal At 174th and Casimir**

The State Division of Highways will soon erect a traffic signal at 174th and Casimir Ave., the Torrance School Board was informed Monday night. A study had indicated that a stop light was needed there after members of the North Torrance Elementary PTA and the School Board had requested it. However, a stop light at 174th and Arlington Ave. is not needed, the State said.

**BUTLER NEW TELEPHONE WIRE CHIEF**

J. Harry Butler, of Redondo Beach, has been appointed by General Telephone Company to the firm's newly-created post of western division wire chief. He assumed his new duties this week. He will supervise operations in the company's western division wire centers located in Redondo Beach, Santa Monica and West Los Angeles. The wire centers contain the firm's outside plant records for each of these exchanges and serve as operation centers for directing installations, repairs and other services. Butler will be assisted by Fred Fleming, who will serve as wire chief in Redondo. A member of the telephone industry for 18 years, Butler began his career in 1937 as a cable splicer helper and subsequently became lineman, installer, repairman, testboardman and assignment supervisor. He received his appointment to wire chief for the South Bay Area in 1951. Prior to his telephone work, Butler served with the United States Navy for four years, the Bay Cities Transit Company and Southern Counties Gas Company in Santa Monica. He is married to the former Georgia Higgins. They have two sons, Harry Jr. and Bob, both serving at the present time in the United States Navy.

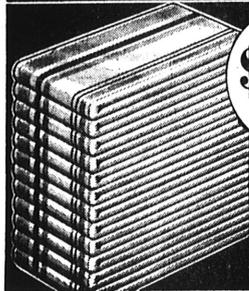

**Meet Set for Natives Of Mansfield, Ohio**

A picnic for former residents of Mansfield, Ohio will be held Sunday, Feb. 20 at Miles Park in Huntington Park. Leo Carver of Los Angeles is chairman of the event. Those planning to attend are asked to bring their own picnic lunches and service. Serving will start at noon. The park is located at the corner of Gage Ave. and Miles, in Huntington Park.
