At the Palladium and to the music of Les Elgart, last Friday night danced the Tartar Ladies and Tartar Knights during the traditional TK-TL Ball. Afterwards all the couples returned to a party at the home of Cynthia Easley, where refreshments were served and a wonderful evening climaxed.

Also last Friday night a slumber party was given by Jean and June Zilliox. The party ended up lasting for both Friday and Saturday nights. Those attending were Shirley Knight, Jeanne Hussy, Gloria Farren, Carol Wheatman, Barbara Underwood, and Donna Haynes.

Congratulations are due to the entire student body, for \$102 was collected during the blind program presented last Thursday. This money will be used for Braille books and equipment for the blind. It is the general opinion that they gave a terrific call and everyone enjoyed it.

Spending George Washington's birthday at Orange County Park on a picnic were Jerry Hughes, Janice Cook, Bill Montgomery, Beverly Oaks, Tom Kulp, Sally Reed, Gary Knox and Janet Sanders. On their way home they stopped at Knott's Berry Farm.

Fuller's Lodge at Big Bear was again graced with Tartars. The Delta Y-teens left Friday night in a huge truck bound "to-or-know-the-reason why" for the snow. The trip was found to be a very cold one but a lot of fun. The normal skiing and tobogganing were enjoyed, but the highlight of the weekend was the fact that it snowed from the moment of arrival until departure. In spite of black and blue legs and terrific cold, everyone had a wonderful time and have to admit that they wish that they had gotten snowed in.

The De Palmas Restaurant was the spot of the installation of new officers of the Debs. New president is Jean Brimley; vice-president, Dee Gibson; secretary, Pat Pierce; treasurer, Judy Nash; sergeant-at-arms, Peggy Wood; chaplain, Sandy Gish, and historian is Dana Cecil.

Last Saturday a Leadership Day was held on the campus of the University of Southern California. Representatives from the student councils of all high schools in the area attended. Joe Fazio, Sherwood Torman, Marylou Sass, and Ann Steinbaugh represented our school and found it very interesting.

Outgoing officers of the Sabotodo Club were honored at a dinner held at Gonzales on the 28th. Old officers are Gene Walker, president; Patty Jo Blakely, vice-president; Betty Hope, secretary, and Adrienne Keyes, treasurer. Also at this dinner the new officers were announced. Gene Walker is again president, vice-president is Gayle Carothers, Gail Lightfoot is secretary, and Mary Anne Rurak holds the office of treasurer.

Don't forget the Sweethearts Ball tomorrow night. The dance is sponsored by the Tartar Band and will be held at the Civic Auditorium. There will be two bands, the Tartar Dance Band and Manuel Burgara's Vamps, which will add great variety to the dance. Couples only, will be admitted at \$1 a couple. A boy and a girl chosen by the Student Body will be crowned King and Queen of the Sweethearts' Ball.

Today and tomorrow the Boys' League will be selling pickles. Now it's not everyday that you can purchase a big juicy dill pickle for the small price of only 10 cents, so take advantage of this great bargain and buy a pickle.

Ladies on Carol Drive Form New Social, Charitable Club

By SUE BURK
FR 5-4549

On Feb. 17, ladies on Carol Dr. met and formed a new club. This little social get-together will hereafter be known as the "Carol Belles."

Meeting in the home of Jeanne Gunderson the first club get-together was attended by Marge Andrews, Betty Eblevans, Jeanne Gunderson, Julie Heger, Marian Ogilby, Marydel Rendon, and Mildred Ristline.

New treasurer and secretary are Marydel Rendon and Jeanne Gunderson, until more members come in. The girls will meet in their different homes once a month on a mostly social basis.

Their aim is to assist in worthwhile causes, such as needy families and old peoples homes. Coffee and cake were served to the guests who also spent a most enjoyable evening canyoning and scrabble. The next meeting is to be held on Mar. 17 in the home of Marge Andrews.

An interesting film on Americanism was presented to all eighth grade classes by the JayCees of Torrance. Principal Lloyd Jones asks that parents drop by the school sometime in the very near future to see the bulletin boards the pupils and their teachers have worked so hard at developing.

Election of officers will be held at the next Parent Teachers meeting in Seaside School on Mar. 10 at 7:30 in the auditorium. There will be a shop and homemaking display, also a fashion show by the girls of the homemaking class. Jones also reports that the Seaside Band, consisting of 14 pieces, is doing exceptionally well under the direction of Mr. Petrie.

Congratulations are in store for Mr. and Mrs. Erman Sharpe Jr. The Sharpes celebrated their 5th wedding anniversary on Feb. 27 with a group of relatives and friends.

A birthday party for Roger Unger on Feb. 20 gave reason for everyone to know he is now six years old. Helping to celebrate the party were Donald Lee Rodney, Janet Frizola, Pat, and Carol Ann Camacho, Bobby Priestley, Danny and Frank Speer, Victor Chouraid, and Tom and Rudy Camacho. Mama served the little guests with cake, ice cream and punch. The cake carried the outer-space motif with all the spacemen, saucers, and whatnot. Games played gave all the children a chance to win a nice prize and all carried home little surprises.

Another birthday party, but for the older folks, was enjoyed by Mr. John Johnson of Zakon Rd. Helping to celebrate the day with a nice turkey dinner

were Mr. and Mrs. William H. Alley.

Visiting in the home of Mr. and Mrs. John Johnson and family over the week were Mr. and Mrs. Virgil Williamson, Mrs. Irvine Rossman, Mrs. Nellie Burns, Mrs. Mae Johnson, and Mr. and Mrs. Jim Boice and children.

Small fry birthday party honored little Candy Lynn Williamson on her second birthday recently. Guests for cake and d panna were Donna and David McMahon, Craig Ivestor, Kent Williamson, and Bob, Sandra and Linda Johnson.

Little Mike Briener, of Doris Way, has undergone surgery for appendix. Mike Renz, of Zakon Rd., who is just beginning to be up from chicken-pox, will soon have a tonsillectomy.

A big welcome to our new neighbors who recently moved into their Zakon Rd. address. They are Mr. and Mrs. H. A. Treadwell and three children, Louise, Diane and Rick. Also, staying with the Treadwells until they are settled, is mother Mrs. Ruth Rasmussen. Recent residents of Redondo Beach, Treadwell works for North American Aviation, where he has been employed for five years.

Mr. and Mrs. Jack Milson recently entertained guests — Mayor and Mrs. Dewey Heidloff, from Beaver City, Neb. Showing their guests some of the more interesting scenes of beauty and color they spent some time in Palm Springs and in Beverly Hills. Another visitor in the Milson home on Bindewald Rd. is Roylene Miller, who will spend the week with grandma.

Visiting with Mr. and Mrs. Charles Gunderson are Mr. and Mrs. K. E. Gunderson, of Chicago, Ill. The Gundersons will enjoy many lovely hi-spots during their one-month vacation.

Major Williams Gets Army School Degree

Maj. Martin J. Williams, 34, son of John A. Williams Sr., of Lomita, recently was graduated for the Army's Transportation School at Fort Eustis, Va.

Major Williams completed the school's associate transportation officer's advanced course. He entered the Army in 1939 and has served in the Pacific, the Far East and Europe.

Williams' wife, Mary Rita, is living at Fort Bragg, N. C., where the major was previously stationed.

DAISY GROWTH

Luther Burbank produced the Shasta daisy in eight years by cross-pollinating three varieties of the plant, two English and one Japanese.
