

Merchandising Plan Revealed By Jim Dandy

A new merchandising plan, offering tremendous savings on household items, is being launched by Jim Dandy Markets.

The new Jim Dandy Household Savings Plan is different and will save the customer one third and more on premiums. Jim Dandy has on display in each market a rack containing such items as toasters, automatic coffee makers, roaster ovens, blenders, electric mixers, radios, phonographs, camera equipment, costume jewelry, rings, wrist watches, electric clocks, electric shavers, sporting goods, toys, picnic kits, tools, and many more household items that can be bought at a discount on the Jim Dandy Plan. A catalog, containing over 3,700 items is made available on display in each Jim Dandy Market.

Jim Dandy says he can save you from 30 per cent to 40 per cent on any item you want. In the catalog, one example of the plan is a new deluxe chrome Osterizer. This item has a regular retail price of \$49.95, plus tax. (You would normally pay at least \$51.44.) At Jim Dandy, you may purchase this Osterizer for only \$33.51 including all taxes. You have a savings of over \$17 on this one item alone. Jim Dandy reminds you that this is one of the hundreds of valuable and much wanted items made available by this amazing savings plan.

Jim Dandy makes this plan easy and convenient for all. All you do is to retain your Jim Dandy cash register receipts normally issued with all purchases from Jim Dandy. Retain these receipts until they total the regular retail price of the item or items you wish to obtain. Regular retail prices and special discount prices are listed in Jim Dandy's Household Saving Plan Catalog.
