## Tartar Teen Talk

By JUDY POWELL FR 5-1380

From week proved to be a huge success for both the Junior Class and those participating in it. Each activity provided a day of excitement and it is agreed that the Juniors have done a real swell job in planning the week and will produce a real successful prom.

Many of our more talented Tartars appeared Wednesday in the Centennial exchange aud-cast. The aud-cast that the students of Centennial High School presented for us a few months ago was one of the best we have had this year. Wednesday the aud-cast was returned to them and those participating in it reported that they received great response and had a very nice time.

Everyone is truly proud of our baseball team this year. The team won their last game with Redondo and are now Bay League champs. This is a real honor and really a thing to be proud of. Congratulations to every boy on the team for each one of them worked hard to reach this goal.

Thursday the GAA played host to members of the AAA from all the Bay League schools with the exception of Redondo. All the girls enjoyed many games and playing on teams composed of girls from each school.

Congratulations to Peggy

Wood for winning a scholarship to Santa Barbara College. Peggy was already planning to attend the college when she received the scholarship. We all wish Peggy good luck and hope that she will really enjoy her years at Santa Barbara College.

The tennis team, who is now second place in the Bay League also deserves many congratulations. The team is headed by Mr. Steffy, who has done a great job in making tennis a more popular sport here at Torrance High School. Four top players on the team, Byron Beckman, Robert Owendyke, Tony Mickas, and Richard Malone started last Tuesday playing in a series of special games at El Camino.

The Mamboles are planning a dance to be held on Friday night, May 27, at the YWCA. The admission will be only 25 cents per person and will be in Vegas to spend a couple of days at the Flamingo Hotel with a itinerary of dining, dancing, swimming plans all arranged.

Real notice has been given to the new jackets worn by some of the boys on campus. The new jackets, which belong to the members of the Prowlers, Torrance Car Club, and are really terrific.

It is really apparent that the end of the school year is near. The annual staff is requesting that the balance of the annuals be paid off now so as to save confusion later on. Also, if yours is paid off, you will receive your annual sooner than others. So be sure to do so at the shack anytime during this week.

Applications are now available in the counseling office for Tartar Ladies and Tri-Hi-Y. The new members of these clubs will be announced shortly before school is out.

It is also time to start thinking about selections. It is real important that we have sufficient candidates for all the offices, so everyone should start thinking about the office that they want to run for.

The seniors are starting on the activities soon. They have already been measured for their robes and are now looking forward to the senior trip to Catalina Friday.

By SARAH R. HOOKER FR 3-2238

Mr. and Mrs. John Hubacek and children, Roy, Dick, and Jeanie, of 4735 Cadison St., took in a week end of trout fishing at Fuller Mill Creek, just above Idyllwild. Strange but nevertheless true is the fact that the children caught most of the fish and Dad Hubacek is still shaking his head.

Mrs. Henry Wagner and family, of 1826 Thornburgh Ave., have had a long bout with the flu bug. Mrs. Wagner teaches at Perry School.

On May 11, the North Torrance Civic Club Assn. queen, Mrs. Norma Prange and handsome husband, Joe Prange, accompanied by fun-loving couple, Mr. and Mrs. Burk Dominguez, of South Redondo, left for Las Vegas to spend a couple of days at the Flamingo Hotel with a itinerary of dining, dancing, swimming plans all arranged.

The lucky A. F. Kupka family, of 4247 W. 178th St., were in for a series of birthday celebrations with charming daughter, Judy becoming seven years of age and godlooking Jerry hitting the 16-year-old mark. Sister Sharon keeps wishing that the birthdays keep rolling in!

Always striving for originality, Mrs. Glen Rünstedt, of 18256 Roslin Ave., turned the tables on husband Glen, showing him with all the attentions usually reserved for Moms on Mother's Day! Glen is recovering from the flu.

A peaceful and very quiet Mother's Day week end was spent in Ensenada by Mr. and Mrs. Jack Kelley, of 18211 Burin Ave., along with friends, Mr. and Mrs. George Morehart, of 18520 Kingsdale Ave.

Adding just the right touch of spiritual reverence on a neighbor loving community was the first communion rituals performed by our sweet young friend, Miss Judy Kupka, of 4247 W. 178th St.

A happy birthday was celebrated by lovely Christine Marner, of 4247 W. 178th St.

Three lasses from our community took part in the high school fashion show with their hand-made garments. Jeannette Cowi, Linda Kelley and Jeannie Bray were a beautiful sight to see.

What a nice family-style week end it turned out to be at the W. A. Wright, 18328 Roslin Ave., home, with mother Vera coming in to the spotlight with her share of lovely loot, a lovely brown dress and a beautiful blue dress, having an necklace accessories for both, which she received from her young stalwarts, Wayne and Bill Jr.

Exemplifying the attributes of good taste in dressing correctly for the occasion is that charming couple, Mr. and Mrs. Paul Herring, of 18312 Roslin Ave.

I felt very proud to sit in the audience of the El Nido School and see so many of our neighbors honored. Forming the court of honor for outstanding deeds during the past year were Mrs. Fred Deshier, Mrs. Ella Killian, Mrs. Glen Rünstedt, Mrs. Harley Smith and Roland Petrat. Jack Kelley who has done outstanding work for children and adults in the community for many years was awarded an honorary life membership by the El Nido PTA.

### Need Books For Library

Perry Elementary School's Voluntary Drive to achieve a school library by collecting 1000 books is already well past the midway mark. It has been reported here by Lester I. Foster, principal.

Volunteers, including pupils and a special PTA library committee, are scouring the community in an effort to reach the goal. More than 600 books were tabulated late last week. With the thousand books and money raised by the PTA it will be possible to establish a student library by September, Foster said.

New and used books are being sought by the library task force, the educator explained. He urged those having unwanted volumes of fiction, non-fiction or reference works to telephone him at FR 2-5716. Mrs. Gordon Lee, PTA library chairman, at FR 9-2938. A person will be sent to collect the books being offered.
