THE CONQUEST OF FEAR
One of the earliest emotions a child experiences is fear. And
from the first loud noise that awakens him until the moment of his
death he knows no day without some recurrence of the sinister,
some foreboding of danger.
From the beginning of time religion has been our tested anti-
dote to the poison of fear. In the dark forests of antiquity, on the
boiling seas of exploration, in the fox-holes of modern strife, men
have calmed the body's trembling with the soul's faith. We have
faced the unknown, the hostile, through trust in the Known, the
Faithful; we have challenged the insurmountable, confident in the
power of the Almighty.
How essential, though, that each generation passes on our
Faith to the next! Who dares to deprive a child of the chance to
conquer fear? Who would rob his son's soul of the Christian
heritage martyrs died to preserve?
Bring your children to God's House every Sunday. Seek with
them FAITH for this atomic age.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for
the building of character and good citizenship.
It is a storehouse of spiritual values. Without a
strong Church, neither democracy nor civilization
can survive. There are four sound reasons why
every person should attend services regularly
and support the Church. They are: (1) For his
own sake. (2) For his children's sake. (3) For the
sake of his community and nation. (4) For the
and material support. Plan to go to church regu-
larly and read your Bible daily.
