FINISHED BY FIRE . . . This old structure on Anza and Sepulveda was burned to the ground in minutes Friday morning. Formerly a Japanese schoolhouse, the building had been unoccupied for some time.

NEW RECREATION TRUCK . . . Recreation Director Harry Van Bellehem checks the new panel truck to be used by the city's Recreation Department to shuttle supplies between the various parks and playgrounds. The truck has a built-in loudspeaking system to serve the department as a sound truck.

ACCENT: Theatre! to Hold Dance Tomorrow

A sock hop, sponsored by the ACCENT: Theatre!, will be held tomorrow night from 8 to 12 at the Women's Club, with free dancing lessons offered.

Anyone may attend the dance, which will feature dance instruction by John Hudson, high school teacher and former dancing teacher. Admission costs 50 cents.

Clean Chimneys Lessen Danger Of Roof Fires

To avoid roof fires, keep your chimney interiors clean. That is the advice of safety officials who point out that many serious blazes have been traced to ignition of dust particles accumulated within cleaning chimneys.

One trick for cleaning chimneys the easy way, home care experts say, involves the use of a burlap bag stuffed with excelsior. The bag is weighted with a couple of bricks and a rope is attached to it. Pulling the bag up and down the chimney a few times will break up the dust accumulations. The time for this operation, of course, is when the heating plant is not working.

While on the roof, it's a good idea to check its condition. Loose shingles should be nailed down before they lead to leaks. If re-roofing is indicated, you can eliminate the threat of a roof fire by having the job done

OPEN HEARTHS
About 85 percent of the steel produced in the United States is made by the basic open hearth method.

YOLANDA GOLDSMITH . . . Seeking the title of "Miss Torrance" in the annual Torrance Area Youth Band-sponsored event tomorrow night, is Miss Goldsmith, who is sponsored in the contest by Alter Realty. Miss Goldsmith will seek the title now held by Norma Quine.

Value of 19 Parking Lots Given City

The 19 off-street parking lots which the city has designated for the future would be worth \$175,000 today, an appraisal firm has reported to City Attorney James M. Hall.

Although the lots have not been identified, it is understood that they are located on the perimeter of the downtown shopping district and would provide ample off-street parking for the area.

Appraisal of the lots was ordered by the City Council earlier this year as one of the steps necessary in the formation of an assessment district among downtown property owners.

Next step will be the formation of the district and determination of assessments for each property owner. This will be done also by an outside firm. Funds to purchase the lots will come largely from parking meter revenues.

SICK INSURANCE

Almost 60 percent of the American people have hospital and medical insurance.
