Yes,—there's been considerable discussion at ECC lately. And it's no wonder, when 10 of the most popular girls on campus enlist to partake in a flurry of rivalry; that is, friendly rivalry (if that's possible) for the coveted Grid Queen title.

Becky, a sophomore and owner of a most attractive crop of silky blond hair, will have to wait until tomorrow night at the Grid dance to find out who, of the three will be crowned Grid Queen. The other two finalists are Barbara Fenly, from the South Bay area, and

Having capped Modesto JC 18-0 two weeks ago, the Warriors again last Friday night proved their strength to the weaker Huskies of East JAC by a 20-6 margin. This, their first victorious Metropolitan Conference game of the season, is the way 6500 Warriors are planning their remaining six Metro games: victory, victory, victory, the plot toward raising the ticket to the Junior Ross Bowl again this year.

Journeying to the ambitious college's gridiron Saturday night, San Diego will be the next to face the Warriors. Indirectly making a good name for the city of Torrance are ECC gridgers Joe Lafferty, Bob Boss, and Harold Phillip. All three men attended Tarterville.

Red thressed Cindy Young, one of Torrance's daughters, has been selected as the new song queen to take the place of Betty Prouty from Mira Costa who was carrying less than 12 1/2 units, thus making her ineligible for the position. Cindy is the only sophomore among the other five song queens.

A combination of swooner-crooner is RCA Victor recording artist Tony Travis, according to the feminine populace of Blue and Greysville; just ask one of them, and I'm sure you will find yourself in the midst of a discussion on Tony, filled with glorious arrays of adjectives, most of which you will not recognize, but then, neither do their overwhelmed inventors.

Tony appeared at the student body assembly last Thursday where he sang among other songs "The Most Beautiful Girl In The World."

Yesterday at 5 o'clock Caminotes turned celebratory as they appeared as guests on the hour long Gene Norman TV show. Representing the Warriors were student leaders, talented members of the student body, the "Dixieland Special" (ECC faculty band), Warrior band, majorettes, cheer leaders, and song queens.

Also, contestants from the audience were chosen to participate in the Deathon games.

HOSPITAL DEATHS

About 45 per cent of all U.S. deaths occur in hospitals, compared with only about 33 per cent back in 1936.

ROUND THE RIVIERA

Former Riviera President Heads Newly-Formed Newton PTA

By MARY WEBB

Next Thursday will be the date of the first meeting of the new Newton School PTA, with newly-elected president Mrs. Ross Dorsett presiding. Mrs. Dorsett, of 151 Via Los Miradores, a past president of Riviera PTA, was elected at a general membership meeting last month.

Others elected to posts in the new PTA were Mrs. Marvin Sims, vice president; Mrs. Orville Robinson, second vice president and membership chairman; Mrs. Albert Wilson, third vice president and ways and means chairman; Mrs. W. G. Knapp and Mrs. Lee Kendall, fourth vice presidents and room mother chairman. Elected recording secretary was Mrs. Rayne Asher, while Mrs. William King becomes corresponding secretary and Blayne Asher will act as treasurer.

The meeting next week will be held in the cafeteria of the school.

Home from a recent tremendous vacation trip east are Mr. and Mrs. Humphrey Owens, of 120 Via Sevilla.

Their jaunt took them among other places to New England, which they described as being in velvety green colors from the recent hurricane and rains. They visited Plymouth Rock, Cape Cod, Gloucester, and the White Mountains. Highlights of the jaunt included a trip by aerial tramway at Franconia Notch, and a trip via rail to the top of Mt. Washington, highest point in New England.

While in New England, they visited with Humphrey's parents, Mr. and Mrs. Leland Ross of Swampscott, Mass., who were out here for a vacation last year.

Naturally, the Owens filled up on their full share of lobster, fried clams, and other New England seafood foods. They arrived home to be greeted with news that a croaker had tried to force entry into their home but had been routed by neighbors before any damage was done.

Playing host and hostess this week are Mr. and Mrs. Truman Adkins and their two sons, Tommy, 10, and Patrick, 6, of 131 Via Los Miradores.

His brother and wife, Mr. and Mrs. Barney Adkins, arrived on Oct. 1 to spend a month with the local family. With them came son Ricky, 2. The out of state Adkins family are from Peoria, Ill.

The two families plan to spend their time seeing many of the local sights—Marineland, Las Vegas, Mexico and Disneyland.

Co-hostesses at a shower held for Mrs. James Sampson, of 600 Calle Mayore recently, were Mrs. F. B. Barnett and Mrs. Truman Adkins. She shower was held

at the home of Mrs. Adkins, 131 Via Los Miradores.

A large stork and two smaller ones held the place of honor on the serving table. Theme of decoration was green and yellow, and refreshments of cake, mints and coffee were served. The baby-to-be received many useful and wonderful gifts.

Guests present included Mmes. David Johns, Mason Adams, Louis Herwer and James Fry; and Miss Alice Troisi, Miss Barbara Bloom was unable to attend but was represented by a gift for the baby.

Mrs. Abend resigned to take a teaching position at St. James School in Redondo Beach.

Others appointed to committee chairmanships for the coming year were Mrs. Ernest Russell, committee chairman, and Mrs. Jack Webb, telephone. Present at the first fall meeting were Mmes. George Vico, Kermit Mikkelsen, P. A. Eschard, John Treacy, and Mmes. Klingler, Albright, Russell and Webb.

Second troop to form was Troop 199 with Mrs. J. M. 29-born as leader. They held their first meeting on Oct. 4 at the leader's home.

Another Brownie Troop reactivating itself was Troop 201, which held its first meeting on Oct. 5 at the home of Mrs. J. M. Stuart, 171 Via Los Miradores.

Mrs. Stuart is leader of this group with Mrs. A. L. Gabriel acting as co-leader. Mrs. P. L. Marat is troop committee chairman; Mrs. Dale Windkeman, telephone; Mrs. Ivan McElroy, transportation; Mrs. J. E. Hatch, cookie chairman; and Mrs. Westall Booth, publicity chairman; Mrs. C. A. Delio, calendar chairman.

Three new Brownies have joined Troop 201 this fall. They are Connie Delio, Mary Jane Parsons and Anita Terry.

Los Camcloneros, famed award

winning choral group, have a new choral director. He is Don Bremer, of Playa del Rey, who has gained considerable recognition through his three years of teaching as director of Junior High Public School Chorus.

Fall rehearsals for Los Camcloneros are already underway. Further information concerning this choral group and participation in it may be had by phoning FR 7-1900 or FR 5-3570.

Leader for this year for Brownie Troop 216 is Mrs. Clarence Connelly, 113 Via El Chico, who recently hosted a brunch meeting of the group at her home. Present were co-leader Mrs. Gregory Schiller and troop committee chairman Mrs. John Reamer. They decided to hold their first meeting on Saturday at the home of the troop leader.

After refreshments were served, the threesome went to the council office in Redondo Beach to receive their official troop number.

Mrs. Lorraine Klingler, 422 Camino del Campo is the new chairman for the teen-ager dances at both Riviera and Newton Schools. She replaces Mrs. T. F. Daille, 414 Palos Verdes Blvd.

Mrs. Klingler reports that dances will be held Saturday for eighth graders of both schools. Dances are scheduled to be held from 7:30 to 10 p.m. and will be at El Retiro Park Clubhouse. Oct. 28 is the date set for 7th graders for both schools.

Dance music will be furnished by "The Melodians," led by Jack Ewart.

Margaret Louise Palmer, 11, daughter of Mr. and Mrs. Robert Palmer, 223 Paseo de Granada, and recent victim of polio, has been transferred to California Rehabilitation Center in Santa Monica, it was reported this week.

She will be there for a couple of weeks to use the special rehabilitation equipment at the center, and then plans to return to her home. The exercises at the center, designed to strengthen her back and leg muscles, will be continued at home for an indefinite period. Mrs. Palmer expressed the hope that Margaret will be back in school by Christmas.

A lighter note at the Palmer home is the arrival of Mrs. Palmer's mother, Mrs. Lawrence Butler. She arrived on Sept. 24, from her home in Niagara Falls, N.Y., and plans to stay to help her daughter with the children and many chores that come from having sickness in the family.

General membership meeting for the Riviera PTA is scheduled for Oct. 20 and will be held at Riviera School.

With the exception of this one meeting, all other general meetings are scheduled for the third Wednesday of each month. Principal speaker at this month's meeting will be Dr. J. H. Hull, superintendent of schools.

Parents come in for fun and frolic too! At least parents of the Girl Scout Mariners do. They went out on a recent week end aboard the 40-foot ketch "Resolute" and spent the two days on the high seas with their daughters. Travel itinerary of the Resolute for this trip was Catalina Island and

vicinity. The parents report enjoying the sailing, swimming, aqua-planing, barbecues, rowing, hiking and camaraderie prevalent over the entire week end.

Making the trip were Messrs. Dudley, Ed Sitch, Dick Barlow, and Jack Satterlee. Also along were Mrs. John Harwood, of Sacramento, mother of Mrs. Satterlee; Mr. and Mrs. Jack Martin, of Rolling Hills; and George Charles Three Marinows also made the trip — Susan Matson, and Lynn and April Satterlee.

The Las Vecinas bake sale will be held Saturday at the Frontier Market and on the fourth annual breakfast as previously planned. Week end desserts can be bought at their bake sale on Saturday, and food will be available Sunday morning at El Retiro Park for the annual Las Vecinas breakfast.

Mrs. J. M. Stuart, publicity chairman for the Girl Scouts in this area, reported that Mrs. N. Hawkins, 170 Via Los Miradores, has donated her side lot to the Girl Scouts and Brownies for a special Scout project.

She is going to acquire a large authentic sleigh, and the Girl Scouts will be on a drive for used, broken and discarded toys. These toys will be restored to beauty, and the sleigh filled with toys. These toys will go to needy children for Christmas.

Details of the project will be worked out at an area meeting to be held Oct. 24 at the home of Mrs. Rex Hayes, chairman of Girl Scouts for this area, 421 Calle de Aragon.

Mr. and Mrs. Rodney Freeman, 303 Via Pasquel, are just completing one of those dream vacations. They left their home on Sept. 22, bound via S.S. Lurline for the Hawaiian Islands, where they planned to vacation for three weeks. By now they are enroute home after spending three glorious weeks out where the trade winds blow.

A farewell party was held aboard the Lurline prior to its departure for Hawaii, with friends and neighbors attending.

The three Freeman children remained home, with Mrs. Beatrice King, an aunt, staying with them. They are Dirk, 6; Brett, 3; and Reed, 1. Mrs. King, by the way, is a missionary from Africa, and plans to return to her work on the dark continent after the Freemans return home.

Mrs. William A. Mason, 204 Via la Circula, is currently in Arlington, Va., visiting her sister. Tentatively she plans a trip to New York and possibly to New England while she is east. Commander Mason in the meantime, remains home, with his mother-in-law, Mrs. Ansel Longfellow, helping him to keep the home fires burning. Mrs. Mason expects to be gone about 10 days to two weeks on this trip, it was reported.
