## Tartar Teen Talk

By LORNA HALL  
DA 6-0480

Our clash with Ventura last Friday night was the most exciting game to date with the final score 29-19 in favor of Ventura. The Torrance Pop Squad presented a novel half time, and every one in attendance apparently enjoyed the half time theme, Doodles.

Torrance will be traveling to Inglewood to meet the Sentinels on their home field Friday. This will be the first Bay League competition for the Tartars with kick-off set for 8 p.m. The Friday night game will start competition for the Sportsmanship Trophy awarded by the league each year so we ask for full cooperation of the entire student body. Now . . . STOMP THE SENTINELS.

Last Monday marked the first distribution of the TNT to Tartars of Tartarville. Tom Mills, a Torrance High senior, has been named editor-in-chief of the 1955-56 TNT staff. Having proved his ability as associate editor last year, Tom comes well prepared to handle the TNT's top office now.

Congratulations to the new freshmen class officers. They include Diana Cook, president; Carol Shinoda, vice president; Marilyn Dean, secretary; Loreta Robinson, treasurer; Gerry Day, Girls' League representative;

Joan Donald, Girls' Court representative; Albert Wicker, Boys' League representative. We expect to see big things from this freshman Council.

Theplan Troup 1133 is urging all students to start putting together ideas to start writing one-act plays which can be entered in the "Fifth Original One-Act Play Festival," to be presented in early spring.

Now in production is "Dreams 26," variety show for 1955. Holding the leads are Patty Wingard and Bill Mescham. Music will be furnished by the Torrance Tartar Dance Band, and it is planned to include about 40 talent acts in the show.

An exchange pep rally has been scheduled with Inglewood tomorrow. Song queens, cheer leaders, and the entire pep squad, along with Student Body President Larry Lippincott will travel to Inglewood and in turn the Inglewood pep leaders will visit Torrance at a rally.

KING-SIZE  
King-size cigarettes now account more than 22 per cent of the total annual sales, according to studies by the tobacco industry.
