BAPTISTS TO BURN TREE IN WATCH NIGHT RITES

Watch night services at the South Bay Baptist Church, 4565 Sharynne Lane, will begin with the second annual Christmas tree burning at 8 p.m. Saturday night.

Indoor services, starting at 9 a.m., will feature special music and the showing of a film, Dr. Reider Kalland, state director of child evangelism, will present magic tricks for object lessons from the Bible, while the Rev. Cecil Memmer, pastor of Centinela Baptist Church, Inglewood, will be guest speaker.

Young People Plan According to the pastor, Rev.

Watch Night Service Set By Lutherans

A special New Year's Eve watch service will be conducted at First Lutheran Church from 11 to 12 p.m., with a congregational hymn sing preceding the sermon.

Pastor Walter Behrens will preach the sermon for this service. His theme will be "Take Up Your Cross and Follow Jesus," and at midnight the chimes will be played from the church's tower.

Holy Communion will be celebrated at all three worship services on New Year's Day. At the 8 a.m. and 10:45 a.m. worship services, Pastor Paul Wenske will preach on the theme, "We are all one in Christ Jesus," and at the 7 p.m. Vesper Service, Pastor Wenske will preach on the theme, "We will serve the Lord."

'God' Chosen As Topic for This Sunday

The Lesson-Sermon subject in all Christian Science churches Sunday is "God." Through the ages spiritually minded men have discerned great truths about God, and have given them to us in the Holy Bible. Many such passages are used in this sermon.

Moses heard God declare His Oneness and Allness in the First Commandment (Ex. 20:3), "Thou shalt have no other gods before me." The Psalmist sang (96:2,6), 'Sing unto the Lord... Honour and majesty are before him; strength and beauty are in his sanctuary.'

The Golden Text says of God's supremacy 1 Sam. 2:2, "There is none holy as the Lord; for there is none beside thee; neither is there any rock like our God."

Mary Baker Eddy, in her textbook, "Science and Health with Key to the Scriptures" declares, "The starting point of divine Science is that God, Spirit, is All-in-all, and that there is no other might or Mind, — that God is Love, and therefore He is divine Principle." In another passage she writes, "The divine Principle of the First Commandment is that of the Science of being, by which man demonstrates health, holiness, and life eternal." (pp. 275, 340).
