

New Church Holds First Sunday Services in School Auditorium

By JO JENSEN
DA 47374

It is true that the shorter sermon the longer the preparation, Pastor Maynard Midtune must have started preparing his last Sunday's sermon before he left Wisconsin. Christ The King Lutheran Church held its first service Sunday at the Crenshaw School Auditorium. Services were beautiful and impressive. The attendance was greater than even the most optimistic forecasts. The people of North Torrance gathered to worship together in a most friendly atmosphere.

The people along Glenburn are going out of their minds with the mess and dirt occasioned by the County Flood Control installation. Other residents of the community are becoming increasingly annoyed at the unreasonable length of time that the intersections of 168th and 169th and Glenburn have been closed. If you're looking for a silver lining, at least there has not been much rain lately to complicate the situation.

Cubbing activities received new impetus last week with the election of officers for the new year. Bob Thomas will be the new Cubmaster of Pack 761-C with past Cubmasters Johnny Miller and Jerry Cunerty to serve as assistants. Jerry Cunerty will have the Webelos under his instruction. Bob Thomas was elected committee chairman. Serving with him will be Tuley Buck as secretary; Larry Ball, treasurer; Perry Baker, awards chairman; Herman Cortez, activities chairman; Ralph Ganselum, activities chairman and Mr. Carlson as ways and means chairman.

The January outing will be a trip to Marineland on Jan. 28. The Cub Mothers Club of Pack 761-C met at the home of Mrs. Jack Till, 16815 Delta. Plans were made for the Blue and Gold Banquet to be held at the Gardena Youth Center on Feb. 6th. Reservations for the Jamboree at Shrine Auditorium early in February should be made immediately.

Local friends were saddened to hear of the death, at the age of 78, of Alfred N. Ferrin, of Comita. He was the father of Richard Ferrin, 17503 Faysmith.

Bernard Schnitzer, 2720 W. 174th St., will be installed as president of the South Bay B'nai B'rith at a dinner-dance at the Inglewood Country Club, on Saturday, Jan. 21st. In the past, he held offices of treasurer, second vice president, and first vice president of the organization.

Tuesday the Stitch and Chatter Club will meet at the home of Mrs. Maurice Hattem, 2804 W. 175th St.

On Saturday evening the Pinochle Club met at the John Ferralola home, 2620 W. 175th St. Eight local couples attended. Robert Clark took high prize and Eddie Grzham was low.

Joey Fletcher, 17523 Cerise Ave., ran through a glass wall at a friend's house. For once speed was in his favor as in-

juries were slight—except to the wall.

Sunday School workers at Hope Church attended a Rally Monday night at Calvary EUB Church, 2445 W. Washington Blvd. in Los Angeles. Dr. and Mrs. O. E. Schaefer planned and directed the meeting.

Den 8 of Cub Pack 761-C took a night off and played miniature golf in Inglewood, Monday. John Kayler, Bill Johnson, Raleigh Bell, David Hubert, Michael Buck, David and Jim Jensen, Clayton and Jim Clark were escorted by Mr. and Mrs. Clayton Clark.

The Jim Schraeders, 17523 Falda Ave., are sporting a new black and white sedan. Seems it's sometimes mistaken for a police car and other drivers are soooooo courteous.

Mr. and Mrs. Hernan Cortez, 17518 Genie, attended a reunion of alumni of New Mexico A & M. Adel was happy to greet old friends at Knott's Berry Farm where they met for dinner. Several professors and college officials flew here from New Mexico for the event.

These kids! Judy Towell, with brother Mike's help, managed to work that loose tooth out a little ahead of schedule. Judy needed the Fairy's gift of money to add to other hoardings. She just couldn't live without those Mickey Mouse Ears any longer.

The kids on 176th St. had a day Saturday. Michael Clark, 2843 W. 176th St., entertained 17 children at lunch in honor of his sixth birthday at 11. Two hours later all 17, plus five, paraded across the street to celebrate Stephen Martin's fifth birthday.

Mary Ann and Fred Launer jointly celebrated their birthdays Saturday by having 12 guests for lunch. Later two cars carried the party guests to Inglewood for miniature golf.

That off-stage voice on the Perry Com show last week was that of Tommy Traynor, 2736 W. 175th St. He is with the Kay Starr Troupe and was part of a quartet flown to New York for the occasion.

Cynthia Ann Burge was a big surprise to older sister Linda Gail who fully expected a baby brother. Now that parents and daughters are all at home at 2620 W. 176th St., the switch has been accepted in good grace.

Mrs. Dale Swanson and David Jensen permitted themselves to be used as bed patients by the Home Nursing Class being conducted at St. John's Lutheran Church in Gardena by the Red Cross. Mrs. Martin Taylor, Mrs. Robert Vavland, Mrs. James Schraeder, Mrs. J. A. Jensen, and Mrs. Alligier are also attending the classes from this area.

The Joseph B. Reynolds, 16618 Falda Ave., visited Mr. and Mrs. Robert Carlson in Ridecrest over the week end. The object of the trip was to welcome tiny Mary Catherine Carlson into the family.

Snitzer to Be Installed B'nai B'rith President

Bernard Snitzer, 2720 W. 174th St., will be installed president of the South Bay B'nai B'rith Lodge 727 at the annual installation of officers Saturday evening at the Inglewood Country Club.

An active member of the organization here for five years, Snitzer has served as treasurer, first vice president, second vice president, and has headed up a number of committees.

Other officers to be installed

Skyraider Pilots Set New Marks

Twenty busy Douglas AD Skyraider pilots aboard the U. S. Navy's aircraft carrier USS Boxer believe they have set a fleet record for the number of hours flown in one month.

According to word received from the "Boxer," Attack Squadron 145 helped the ship live up to her nickname "Busy Bee" when they flew a total of 1050 hours in one month, including day and night training missions near Formosa and in Japan.

Cdr. A. W. Newhall, Commander Air Group 14, credited the excellent maintenance crews and good operating techniques on board the ship for the record—an average of more than 81 hours per man during the month.

The Skyraider is built by the El Segundo Division of Douglas Aircraft, Inc.
