

# Boy Scouts of Troop 966 Will Attend Church in Body Sunday

By VIOLA KLUG  
FR 5-928

Now that the Mothers' March is over, we are sure everyone is interested in the results. There were 86 mothers who marched in this area. Our captain, Pat Drumright, wishes to thank all who helped to make this year a little better than last. We collected \$801.43 in the Seaside School area. The mothers report a warm welcome at most homes, with the youngsters taking their donations out of their banks.

We also wish to thank the Johnnie Miller Sandwich Co., of Long Beach, for their donation of coffee and doughnuts. As it was quite cold, the hot coffee sure hit the spot. We also wish to thank the Torrance Police Department for making it safe for us by cruising through the area.

Mrs. Richard Hoyt, 5603 Clearsite St., entertained friends of little Renny in honor of his fourth birthday on Jan. 27. Present were Terry and Steven Sherit, Tommy Noad, and Donnie and Diane Scott. Invited, but unable to be present was Bobby Smith. Games played were drop the clothes pins in a milk bottle, and pin the tail on the donkey. There were prizes for all. The house was decorated with balloons. Candy, ice cream and birthday cake were then enjoyed by the youngsters, after which they settled down for a nap, and the mothers enjoyed their coffee and cake.

Also open for congratulations is Barbara Yackie, 5602 Palos Verdes Blvd., who celebrated her ninth birthday, recently. As is the custom in the Yackie family, the honoree ordered the dinner for the family. Barbara ordered spaghetti and meat balls. After dinner her grandparents, Mr. and Mrs. John Moss, came in for their share of birthday cake. Among the gifts she received were a Mickey Mouse hat, a charm bracelet and a parakeet.

Monday evening, Jan. 30, the Green Thumber Garden Club held a special meeting at the home of Dolly Mategoria, 22711 Susana St., as there were several matters to be discussed and decided upon before the next meeting. There were 16 members present. The Club also presented a plant to Ida Handley, who will soon be moving into her new home in Redondo. Chocolate and white cake and pie and coffee were then enjoyed by all.

Mr. and Mrs. Howard Elliott and Mr. and Mrs. Elgin Elliott, of Clearsite St., recently spent a week end in Las Vegas. They say the trip by car was enjoyed by all. Haven't been able to find out how they made out.

Sunday morning at the 10:45 a.m. service, at the Seaside Community E. and R. Church, 22902 Ocean Blvd., Boy Scouts of Troop 966, who meet in the church, will attend the service in a body. Some of them will

take part in the service. The public is invited also. Plans are in the making for a pot luck spaghetti dinner sponsored by the Woman's Guild, to be held at the church next Tuesday, at 6 p.m. There will be a voluntary donation. You are requested to bring your own table service. There will be entertainment following the dinner. The public is invited. For further information call Dorothy Hollowell, FR 5-8375.

We are glad to report that Mrs. Earl Welliver has returned home from her recent sojourn to the hospital, and is able to be out again.

took part in our Mothers' March, stepping in at the last minute, when Mrs. Comer was unable to go.

Mrs. Nicholas Marks and Dana, 5520 Sunnyview St., have just returned from a months visit with her parents at Artesia, New Mexico, where she was called by the illness of her father, Mr. Clyde Galloway. Her mother, Mrs. Clyde Galloway, reports that her husband is improving.

Mr. and Mrs. John M. Klug, Mr. and Mrs. Clayton Kanagy, Miss Minnie Sommers and Miss Betty Sommers, of Los Angeles, enjoyed a trip to Lake Sherwood and Malibu, Saturday afternoon they enjoyed a delightful dinner and then Messrs. Klug and Kanagy compared recent pictures, taken by each of
