

### Walteria Youngsters Anxious For Area Party Friday Night

By BETTY MITCHELL

Well, folks, this is my last opportunity to wish you a Very Merry Christmas in the year 1956. Here's hoping your holiday will be a very happy one, yet touched by the deep spiritual significance of the day. As Tiny Time said, "God Bless you, everyone!"

All the kiddies in our town are eagerly looking forward to Friday night when the Walteria Business Men's Club will hold their annual Christmas party for the small fry. This year the program will begin at 6:30 p.m. with a wonderfully entertaining evening planned including an animal act and a visit from Santa with a free sock for each youngster. Loring Bigelow has been program chairman for the event, while the stockings were filled for Santa by the helpful hands of all the Business Men's Club members at their meeting at Nickel's Ranch.

On the subject of the BMC, the club wishes to extend via this column a "thank you" to all who so gladly supported the Christmas Tree lot sponsored by the club. The Boy Scouts all wish to extend thanks for the many sales made for Christmas tree tickets. The fruits of this venture and many others which have been held in the past year or so will be readily visible on the first week of February when the newly finished Scout Hall will be dedicated. The dedication will include a demonstration of many Scout activities, so it should be of interest to many of us in our town.

The Walteria Business Women's Club is busy these days

planning for their installation of officers to be held on Jan. 8 at the Plush Horse. New officers of the club were elected at their meeting last week when they held their Christmas dinner meeting. The luscious turkey dinner was greatly enjoyed, especially since a great variety was provided through the "pot-luck" accompanying dishes.

New officers for the club are as follows: President, Mrs. Loring Bigelow; vice president, Mrs. W. Labit; recording secretary, Mrs. Chris Sorenson; corresponding secretary, Mrs. Robert Wagner; treasurer, Mrs. C. D. Wood; and historian, Miss Gladys Frasier. Working on the committee for installation ceremony are Mrs. Maize Moton, and Mrs. Robert Waegner.

Mr. and Mrs. Bert Pemble are hosting a house guest in the person of Shelley Neltnor of North Chicago, Ill. Mr. Neltnor spent last winter here in Southern California and could not resist a repeat visit away from the icy winds and snow.

Another visitor in our town recently was Mr. Russell Parsons of Kansas City, Kan. Mr. Parsons is the son of Mr. Ralph Parsons of Dalemead St. and visited here for a week.

More guests in our town were found at the C. H. Beck residence on Raintree St. They were Mr. and Mrs. Everett Stone of Wetumka, Okla. Mr. and Mrs. Everett are aunt and uncle to Mrs. Beck. This was their first visit to the coast, and the first time Bonnie had seen them since she was a little girl.

A busy family has been the Frank Trantham family of Ward St. Son, Mike, has en-

listed in the six month training plan of the active reserve armed forces and expects to leave on Jan. 8 for his training at Ft. Ord. We are sorry to hear that the Tranthams have sold their home and plan a move to the northern part of the state this coming summer. This last week they spent looking for property in Chico, Calif., north of Sacramento, and returned full of plans and ideas for their move. May we wish them success and much happiness.

Mrs. W. Labit of 242 St., was a charming hostess last Wednesday evening when she entertained the Martha Circle for a Christmas party. Following the short business meeting the 17 members of the circle had an interesting experience listening to records sent from Germany to one of their members, Mrs. Otto Maier. Humorous games followed topped off with a visit from the old gent with the white whiskers. When "Santa" had given each lady a gayly wrapped gift, he was persuaded to stay for a cup of coffee and luscious banana-nut bread. Who was under that flowing beard? None other than Mrs. Roy Cornell, who had as much fun playing the part as the ladies had watching her. All in all, it was a most happy evening. The next meeting will be held at the Danaha St. home of Mrs. William Mitchell.

Sincerest sympathies are extended this week to the Willie McFarland home on Danaha St. upon the loss of Mr. McFarland's father, Mr. Blanchard McFarland died after a lingering illness on Sunday, Dec. 16.

Brownie Troop 1806 held its investiture on Wednesday, Dec. 6, at the school auditorium. The troop is sponsored by the

Walteria PTA. Leader of the troop is Mrs. George Day, with co-leader Mrs. Charles Beck. Brownies who were invested in the friendship circle included Rose Coleman, Madelyn and Marilyn Day, Trudy Fitzpatrick, Barbara and Candy Higgenbotham, Claudine Medina, Nancy and Glenda Parks, and Beverly Shepard. Girls who joined in the ceremony as Brownies already invested were Dale Stimpson, Margaret Beck, Susan Ellis, Bonnie Farmer, Diana Howe, Judy Labit, Kathleen McFarland, and Dale Stimpson.

The troops were presented their American Flag by the American Legion Auxiliary, Unit 17, of Torrance.

Following the ceremony the mothers served refreshments of cookies, coffee and punch.

Don't forget the Christmas musical to be held this Sunday evening, Dec. 23, at 8 p.m. in the Walteria Methodist Church on Newton St. The entire community is invited to attend the program to be given by the combined choirs of the church. The Youth Choir under the direction of Mrs. Robert Cramer will give a pageant on the "Night Before Christmas" followed by a professional and music by the "cherub choir." The Chancel Choir under the direction of Mrs. William Mitchell will end the evening with an all nations' musical presenting music from different countries including England, France, Russia, Italy, and the U. S.

Hubcaps Stolen  
Someone stole the hubcaps off her car as it was parked on W. 6th St., La Ramba, Emma Zuluetta, 4110 W. 182nd St., told sheriff's deputies Thursday.
