### Lesson-Sermon Announced for Sunday Service

"Christian Science" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, this Sunday.

Included in the sermon is a passage from one of the two preachers, the Bible, giving the words of the "beloved" disciple, John, who recorded Jesus' statements regarding the Comforter. Jesus said, "I have yet many things to say unto you, but ye cannot hear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: ... for he shall receive of mine, and shall shew it unto you" (John 16:12-14).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the other of the two preachers, will be read, "Christ's Christianity is the chain of Scientific being appearing in all ages, maintaining its obvious correspondence with the Scriptures and uniting all periods in the design of God." "Our Master said, 'But the Comforter ... shall teach you all things.'" (p. 271.)

The Golden Text is given in the words of Peter: "Ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should shew forth the praises of Him who hath called you out of darkness into His marvelous light (1 Peter 2:9).
