

Catholic High Plans Underway

Although a definite date has not been set for the opening of Bishop Montgomery High School in Torrance, architects are now drafting plans for the Catholic institution which will serve the Torrance and South Bay areas.

That was the word of Father Michael McNulty as he addressed a large group of Catholic laymen at the Monday night meeting of the Los Crusados Council of the Knights of Columbus. Father McNulty has been designated as principal of the new Catholic high school to be located on Torrance Blvd. near the Redondo Beach line.

Aims Outlined

He told them, "The immediate aim of Catholic education is to develop the whole personality of the student; to help him live up to his three basic relationships in life, namely, to himself, to his fellow man and to God.

Truth Named Sermon Topic This Sunday

"The Lord is good; His mercy is everlasting; and His truth endureth to all generations." This verse from Psalms (100:5) is the Golden Text of the Lesson-Sermon on "Truth" to be read in all Christian Science churches Sunday. The sermon stresses the availability today of the healing power of divine Truth.

Christ Jesus' healing of the woman which had a spirit of infirmity 18 years, and was bowed together, and could in no wise lift up herself" (Luke 13:11) will be among the Scriptural selections read from the King James Version of the Bible.

In a passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" Mary Baker Eddy affirms, "God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did 19 centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated" (p. 495).

sympathetic understanding of the growing pains and normal problems of their children in the hope that they will guide and help them rather than blame them.

ADVENTISTS PLAN YEAR OF YOUTH ACTIVITIES

Plans for a full year of youth activities, crafts and achievements have been organized and are in full swing, Jack Moraine, Pathfinder leader of the Torrance Seventh-day Adventist Church, announced at the first meeting of 1957 at recreation hall, Acacia and Sonoma Sts., Saturday.

The local project is part of a nation-wide organization throughout the Seventh-day Adventist Churches to provide Christian guidance to youth and teenagers. Special attention to provide character-building training for boys and girls is the responsibility and duty of Pathfinder officers.

Each Monday evening, as the Torrance Pathfinder Club meets, there are planned crafts and projects for the various ages including knot tying, signaling, radio, cooking, and knitting. Nature subjects of flowers, trees, birds, butterflies and shells are popular projects for collection and study. The Adventist denomination encourages its youth in nature study.

An active year has been planned for the Pathfinder Club, including an all-day field trip each month and a nature walk every month. The first field trip is set for Sunday—an all-day trip to the snow. Last Saturday afternoon one unit of Pathfinders took a nature walk to Cabrillo Beach, gathering and studying shells.

The Pathfinder Club is a community-wide project, according to Jack Moraine. All boys and girls, ages 9 through 14, are invited to meet at the recreation hall each Monday evening from 7 to 8:30.

Dr. Clara Hale Will Speak At Baptist Church

Dr. Clara Hale will speak at the First Baptist Church, 2118 W. Carson St., on Monday evening at 7:30.

Dr. Hale is a consultant in family life education for the Cooperative Council for Inservice Education, University of California at Los Angeles. She has served as teacher, counselor, and psychologist in the public schools and she holds a doctor's degree in education from UCLA.

The meeting is planned primarily for the parents of junior age children to aid parents in meeting the social, emotional, physical, and spiritual needs of their children. The public is invited.

Baptists Set Life Service Sunday Rites

Sunday is Life Service Sunday and Rev. H. Earl Kuester, pastor of Calvary Baptist Church, 2818 Manhattan Beach Blvd., Gardena, will speak at duplicate services, 8:30 and 11 a.m., on the subject: "Living or Making a Living."

At the evening service he will speak on "Is Conscience a Safe Guide?" Special music will be brought by a guest male quartet, "The Covenant Gospellers."

Day School One of the outstanding features of Calvary Baptist Church is the Elementary Day School, built and operated on the church property at 2818 Manhattan Beach Blvd. Kindergarten through sixth grade carries an enrollment of 172 pupils.

The school meets all state standard requirements, holding approximately one hour longer each day than the public schools so that religious instruction may be given. "A minimum of five hours weekly is given for Bible stories and the teaching of Christian ethics and morals," said Rev. Harold Tuttle, principal of the school.

Enrollment is limited but pupils are not restricted to church members. There are now a few openings in the lower grades for pupils wishing to transfer at mid-term. A waiting list of pupils is maintained and first consideration is given to those on the list.

Parent-Teacher Fellowship meets every third Friday evening for program and fellowship. On Feb. 15 at 8 p.m., open house will be held. At this time there will be an exhibit of work done by the students of the day school. The fourth, fifth, and sixth grades will participate in the program.
