Tordondo Little League Slates Meeting for Baseball Parents

By RUTH FOSTER
FR 9.5508
Roy Loyd, Grevilla Ave. president of the newly organized Little League for our area is requesting all parents of 8 to 12-year-old ball-playing boys to attend a meeting. It will be held in the cafeteria at Carl Steele school Tuesday evening, Feb. 5 at 7:30 p.m. This athletic group, which has actually been in existence for about five months, is nationally franchised. As the name indicates the members will be drawn from Southwest Park, Southwest Park Estates, and a portion of Redondo Beach lying across 190th St. The phone number to call for any information not herein stated is FR 9-8749. If you have youngsters who show real interest in baseball here's your chance to help them to a world of fun, fellowship, and formation of character.

By making a game of children's duties advisors say that parents can often get better results. If Mr. and Mrs. Richard Lamb, 20015 Pruitt Dr. follow this pointer their every game will be a "double header." For the past 90 days they've been the becharmed parents of twin girls, Cynthia and Sandra. Together, the babies weighed less than a 10-pound sack of sugar when they accompanied their folks home from General hospital in October. Now each young lady tips the pink scale at 12 pounds. The Lambs have another "Lamb," Terry, who is two.

Another family, embarking on the adventure of rearing twins is Mr. and Mrs. John Caulkins, 20022 Anza. Although each child weighed but a few ounces over three pounds, the event was such a weighty matter it took the Papa's attention off his finals. And when one is working for a Master's Degree, as Mr. Caulkins is, concentration is required. But twins... who could blame him? The Caulkins have been extremely active in our Teen-Age dances, John as chairman. Mrs. Caulkins has put much effort into the many meetings held in their home.

If 5-year-old Gretchen Rix had had her way she would no longer be the daughter of Mr. and Mrs. Henry Rix of Cadison St. Instead, she would be chief-princess-in-charge of Fantasyland. The family, including younger daughter Roxanne, spent many happy hours at Disney's spectaculand a few days ago, and like nearly everyone who has been there, were thoroughly pleased.

The Kenneth Bolnskys, 4707 Hallison, might agree that the highlight of 1956 was the arrival of Cindy Lee who "checked in" Dec. 26. Now the family's attentions are focused on their forthcoming move to Hawthorne. Surely they will be visiting back and forth with their former neighbors of Southwest Park.

Also on Hallison, Mr. and Mrs. Wiley Duncan and Mr. and Mrs. Howard Ainsworth marked wedding anniversaries, 11th and 14th respectively this month.

Attending a benefit dinner for Boystown of the West, "Rancho San Antonio" were

Mr. and Mrs. Bob Wiebel, 4000 Narrot. At a private home in Beverly Hills they saw Joseph Cotton and Jean Cagney.

Saddened by the passing of Jerry Cooper, a fourth grader at Carl Steele School and son of Mr. and Mrs. Thomas Cooper the community expressed their deep condolence to his family. Jerry's parents would like to say, "To all the kind people who helped and gave so generously, their time and facilities during the past two months, we would like to offer our sincerest thanks and appreciation (signed, Mr. and Mrs. Thomas Cooper).

Here to enjoy their grandchildren and perhaps escape the severity of Minnesota's winters are the parents of Jerry Balster, 4708 W. 191st. This rainy rut the weather man is in must be a disappointment to them. But consolation lies in being able to see Barbara 2, Steve 4, and Vicki five months.

A third daughter was born to Mr. and Mrs. Gerald Smith, 4613 W. 191st St. Dec. 14th, at Hawthorne Community Hospital. The little lady's sisters are Janet and Cheryl.

That odd old friend husband insists upon wearing... Junior's toy that makes such a racket... the pink vase that just doesn't look right filled with marigolds... take them all to our PTA Rummage Sale Feb. 16. Better still, so that they can be sorted properly, take them to the home of a committee member: Lois Hubacek, 4735 Cadison; Betty Mann, 5038 Carmelynn; Betty Coleman, 20010 Burin; Mary Crockett, 4320 Darien; Nell Hawkins, 19406 Anza, Jean Steele, 19916 Mansel; or Billie Black, 20016 Entredero. Clothing, bric-a-brac, and toys will be accepted.

Pre-teens will dance and play games at the Carl Steele cafeteria Friday night, Feb. 1, 7-9 p.m. Any youngster up to 7th grade is invited, but parents are requested to bring children and take them home, and remain at the party with those under eight.

The February meeting of our Southwest Park Civic Assn. will be held next Tuesday evening, the 5th, at 8 p.m. Election of officers; fluoridation reports; final plans for installation banquet; and any new business will comprise the agenda. Guest speaker will be Lt. Cook of the Torrance Police Department, speaking on "Youth and Narcotics." Coffee and refreshments will be served.

Car Tools Stolen
Somebody stole a set of car tools that he left under his car after he had worked on it. Joseph Peter Morris, 24660 Narbonne Ave., told sheriff's deputies Friday. They were valued at \$80.

North Dakota Picnic
The Dickinson (N.D.) Picnic Assn. of Los Angeles will hold a dance and get together at the Moose Hall, 4433 E. 58th St., in Maywood on Saturday night, Feb. 1, at 9 p.m.

FIRST RAILWAY
A railroad line from La-Prairie to St. Johns, Quebec, in 1836 was the first to be operated in Canada.

Kindergarten Teacher Helps Beat Mr. Genius

Pupils in the classes taught by Geneva Shelton, Carr Elementary School kindergarten teacher, have reason to be proud this week. Miss Shelton was a member of the panel of guests which had the rare enjoyment of hearing "Mr. Genius" on the popular television show recently.

In addition to having won the admiration of her pupils, the teacher was handed \$100 for her part in the program.

Pedestrian Hit by Car

Ivan Cowie, 39, of 4418 W. 182nd St., was injured seriously when struck by a car near his home Friday night, according to police.

Investigators said that the pedestrian was hit by an auto driven by John Bazyk, 38, of Palos Verdes Estates, at 182nd St. and Hawthorne Ave.

Cowie was taken to Harbor General Hospital. ARTIFICIAL ICE Artificial ice for commercial purposes surpassed natural ice in the United States for the first time in 1914.
