Torrance Mothers 'Over the Top' During Polio Fund Campaign

By VERA C. WRIGHT

It is no wonder that everyone is bursting with pride. This year's Mother's March on Polio was the greatest of all time here in Torrance. The total of \$10,024.56 was collected by the great team in our town, making possible not only the Salk vaccine so that our children, teen-agers, and mothers and fathers need no longer fear dreaded paralyzing polio, but so that unlimited care can be given those now stricken or

who will contract polio before receiving vaccine. Those leaders heading the successful march in their school areas were: Mrs. R. Strahm, Howard Wood, \$504.12; Mrs. S. Drumright, Seaside, \$753.81; Mrs. A. Tremaine, Casimir, \$619.87; Mrs. Ralph Eystone, Arlington, \$382.62; Mrs. L. Moss, Sepulveda, \$180.95; Mrs. Carl Johnson, Newton, \$283.75; Mrs. Glenn Blake, Carr, \$537.79; Mrs. A. L. MacKenzie, Perry, \$578.26; Mrs. W. A. Wright, El Nido, \$154.90; Mrs. Bert

Lynn, \$830.74; Mrs. Ross Dorsett, Riviera, \$2087.20; Mrs. J. Fish, Carl Steele, \$560.28; Mrs. L. Crabtree, Torrance Elementary, \$401.89; Mrs. John Monaghan, Waleria, \$333.87; Mrs. William Poser, Meadowpark, \$510.22; Mrs. J. W. Cassidy, Madrona, \$510.31; Mrs. William Atwood, Crenshaw, \$445.35; and Mrs. R. Bader, Hillside, \$343.73.
Mrs. Maurice Wisdom, of 18313 Roslin Ave., entertained Mmes. Robert Hernandez, Robert MacKay, William Wright, Paul Herring, Glen Runsted, Jerry Westmoreland, Charles T. Hynes, and Amos Chadwick at the latest "come as you are" bingo party. But by a mere stroke of pure luck, guests were treated to homemade coffee cake instead of charred yeast cake!
Mrs. Jerry Westmoreland and Mrs. Amos Chadwick hosted a bingo party at 18305 Roslin Ave. on Friday, Feb. 8, with donations to be used for

a rummage-bazaar sale to be held by the El Nido PTA next month. Mrs. Chadwick is the ways and means chairman in charge of this project. Those winning prizes were Audrey Herring, Carol MacKay, Sarah Hooker, Peggy Mackim, Vera Wright, and Mildred Westmoreland. Gallons of coffee were consumed along with dozens of homemade doughnuts.
Mrs. Robert Haws, of 18404 Roslin Ave., is sure that she is raising a fan dancer or a burlesque queen! Reason is that no matter where she is, daughter Tausca is apt to discard her clothing, every stitch and in record time, too. I don't

blame Mrs. Haws for not wanting to venture out on a bus!
Can't blame Mr. and Mrs. Charles Hynes or daughter Linda, of 18321 Roslin Ave., for beaming with pride, for their green Oldsmobile is the talk of the neighborhood! It looks good enough to eat!
Congratulations and best wishes to Mr. and Mrs. A. R. Watson who will celebrate their 10th wedding anniversary tomorrow.
Get well wishes are extended to Sandy Pullen, Johnny Adams, and Dennis Allen, who have all had a siege of the stomach flu during the past

two weeks. All three are looking forward to returning to school and the three mummies also admitted they were looking forward to it, also!
I don't know when I've enjoyed a talk so much as the other evening when I attended the February meeting of the North Torrance Civic Improvement Assn. for John Mulvihill of the Planning Commission was on the evening's program and gave forth with much food for thought. Everyone interested in our unified school district is asked to be on hand at the March meeting of the NTCIA for the superintendent of schools, Dr. H. J. Hull, will be the speaker of the evening.

I especially noted that a popular couple, Mr. and Mrs. Cloyd Kirkpatrick, are doing a grand job with their chairmanships. Mr. Kirkpatrick is membership chairman and the association has more members now than it ever has had. Mrs. Kirkpatrick has also been a very successful ways and means chairman if the treasurer's report is any indication!
If you, too, are one of the persons that has turned goggle-eyed gazing at that brand new Bel-Air seen around town here lately, you can stop guessing. It belongs to Mr. and Mrs. A. L. MacKenzie and sons Freddie and Kenny, of 4332 179th St.
