

Newly-Formed Unitarian Church To Start Rites in WALTERIA PARK

The formation of a Unitarian Church to serve Torrance and South Bay cities has been announced by George Pitman, president of the newly-created Pacific Unitarian Church Society, an affiliate of the Pacific Coast Unitarian Council and the American Unitarian Assn.

Dr. Harry Shuder, of Rolling Hills, retired Army chaplain and graduate of Harvard Divinity School, will serve the new society as its minister, Pitman said.

The first service, scheduled Sunday, March 17, will be held at 11 a.m. in the WALTERIA PARK Building, 242nd St., one block south of the intersection of Hawthorne Blvd. and Pacific Coast Hwy. Dr. Shuder's pulpit message will be "A Declaration of Spiritual Independence." The service will be followed by a coffee and social hour, Pitman said.

Church Formed
The new church is being formed to serve the people of the South Bay area, embracing Inglewood to Palos Verdes and

Work Praised
Commenting on the new church, the Rev. The council and the American Unitarian Assn. wish the new group all the success possible."

At the same time, Pitman announced other officers for 1957. They are Mrs. Charlotte Ericson, secretary and building committee chairman; Mrs. Patricia Howard, Sunday School teacher; Roy Godwin, treasurer; Irene Matthews, librarian; and John Doegey, William Martin, and Goodwin, financial committee.

Anyone interested in becoming charter members of the

group, or anyone seeking further information, Pitman said, should call FR 7-2530 for details.

DAV Key Tags Help Drivers Locate Keys

The next time you find a lost set of keys with a Disabled American Veterans Identio-Tag on them, do somebody a big favor and drop them in the nearest mailbox right away.

Charles Portnoy, commander of the Torrance Chapter 92, of the DAV points out that in the past five years the organization has returned more than 500,000 lost sets of keys with Identio-Tags on them. The tags are the individual, miniature license tags set each year to motorists.

Funds contributed for them enables the DAV to maintain its free nationwide service program.
