

The North Hi Breeze

By LEILA SANTOR

North High is right in the midst of activity-filled Variety Five Week with its theme of Shipwreck Days. Leuzinger sent over some very entertaining talent, Monday, to start the week with a wonderful assembly.

Tuesday, Saxons enjoyed "hurricane delights," which turned out to be popsicles in tropical flavors.

Slave Day took place yesterday. It was a lot of fun to turnabout as the guys let the gals carry their books, walk them to class and perform numerous other little tasks. Those gals who did not obey their masters were carried off to the witch doctor, Ron Tremain, and given "punishment" for their disobedience.

A talent show, featuring the best entertainers of the school year, was Thursday.

Friday night, the Shipwreck

Dance wound up the week's activities. Robinson Crusoe and his Girl Friday were crowned from among the ten students voted upon by the Student Body. Those girls up for the title of Girl Friday were Babs Gage, Carol Lesar, Darlene Hotecheck, Sharyn Rich and Carole Stevenson.

Elections are coming up. This week, students are filling out nomination blanks for Student Council offices. A nomination assembly will take place next week and elections will be held on next Thursday. Class and League elections will be held the following week.

Congratulations to June Nakawatase for placing second in the Bank of America zone finals in the field of Science and Mathematics. Sandy Ford also took part in the zone finals in the fields of English and Social Studies.
