

HOSPITAL CHAPLAIN HONORED

Rev. John Penner, chaplain at Harbor General Hospital for the past four years, found himself on the receiving end of the birthday greetings for a change last week.

Usually the first in the wards to wish a patient a happy birthday, Chaplain Penner was given the wishes himself as members of the hospital staff staged a party to observe his 60th birthday. Half a hundred gathered in the auditorium of the hospital to add their greetings to those of friends for the chaplain.

Mrs. Frances Scott, director of nursing at the hospital, presided as coffee and cake were served.

UN Film Presented In Schools

A United Nations film entitled "Freedom's Workshop" will be shown to all 8th grade history classes in the Torrance area this month as part of a project sponsored by the Jayettes.

The film was chosen by Jayette chairman Mrs. Martha Klins and Mrs. Louise Mangano and by Walter Reikowitz, director of instruction of the Board of Education.

The Jayettes theme for February is "Americanism and Freedom."
