

WEEKENDER

Thomas Seeking Code Changes For Torrance

(The following items are reprinted from the Monday, March 5, HERALD.)
 Assemblyman Vincent Thomas has submitted three requests for special legislation to Governor Knight, he told the HERALD prior to leaving for Sacramento last week end. Budget sessions of the Legislature open in Sacramento today.
 The Assemblyman said he had (1) requested an amendment to the code to permit appointment of a third judge in South Bay Municipal Court district—which would permit assignment of a judge to Torrance; (2) requested a change in the code to provide Superior Court sessions in Torrance; and (3) had requested special legislation to permit the State to provide funds to school districts for emergency building to be returned as bond issues permit.

Evans Quits Race

G. S. "Bill" Evans, 1229 Beech Ave., announced his withdrawal as a Council candidate in the April elections here Saturday. He said his election would jeopardize the retirement pension he now draws as a retired Torrance police sergeant. Evans was among the first to file for the council race saying at the time that he felt his years with the city would qualify him to serve as a Councilman.
 "I deeply regret the disappointment my withdrawal may bring to those persons who believe in me and have offered to support my candidacy," Evans told the HERALD Saturday. He has reached no decision on whom he will support in the race, he said.

YMCA Over the Top

The Torrance YMCA is over its quota in the 1956 current support campaign. It was announced here last week by General Chairman Sam Levy.
 The 1956 goal, set at \$17,000, was designed to provide minimum services to the local YMCA including a full time manager, part time program director, and a full time stenographer.

Volunteers had raised a total of \$18,229 for this purpose by the time of the final report meeting last Wednesday night, Levy announced.

Shidler Seeks Post

Judge John A. Shidler, of South Bay Municipal Court has filed declaration of intention to run for Office 28 of the Superior Court in the June primaries, a post also sought by Fletcher Bowron, former Los Angeles mayor.

Judge Shidler, former president of the Torrance Board of Education, has been a judge in Los Angeles County since 1941 with the exception of three and one-half years in the Army during World War II.

Girl Hit by Auto

A 12-year-old Torrance girl is in Harbor General Hospital with a fractured leg as a result of being hit by a car here Thursday night at 174th St. and Arlington Ave.
 Francine Brown, 12, of 2113 W. 178th St., was taken to the hospital after she was hit by a car driven by Violet White, 42, of 3226 W. 180th St., at the intersection. The driver was not held.

Shhh! Robbers on Job

Two men walked out of the fog at 174th St. and Crenshaw Blvd. early Saturday morning and held up Jack A. Purcell, who was counting receipts prior to closing a service station at 1700 Crenshaw, detectives reported here Saturday.

Record Registration

A record total of 21,857 voters will be eligible to cast ballots in the April 10 municipal election, City Clerk A. H. Bartlett reported Saturday.
 Bartlett said the registration for the April election is the highest ever in Torrance.
 The new registration figure, completed last week by County Registrar of Voters Ben S. Hite, shows a growth of more than 4000 voters here since the 1954 municipal elections when 17,072 qualified for the election.

At Crestline

Enjoying the snow sports at Crestline last week end were Frank Parker, Dick Hansen and Ray Rudeen of Harbor City.

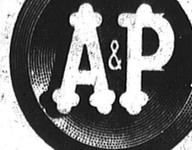

New Sprint Champion

Lanky Gary Cooke sped to a blazing 21.7 220 Friday afternoon on the Redondo High School track to post the best prep time in the event so far this year in the Southland and shatter his own school mark, set on the same oval last season.

Cooke, a senior, also won the 100 yard dash and handily, too. He has yet to be pressed this year, although teammate Tom Brown, who has been creeping up on him lately, finished just two yards behind in both races. In fact Brown's time in the 100 yard was a real good 23.6.
