Instructor in Race for Office

RICHARD T. HALEY
... Seeks CTA Office

Richard T. Haley, mathematics instructor at El Camino College, has been named as a candidate for the position of vice president of the California Teachers Association, Southern Section. Elections for the CTA offices will be conducted by local faculty groups throughout the Southern Section throughout the month of April.

Haley, active in professional organizations, holds membership in the California Teachers Association, National Education Association, El Camino Faculty Club, and the California Mathematics Council.

The Council Member serves as vice president of the department of Classroom Teachers of the Southern Section of CTA. He is a member of the CTA State Council of Education Tenure Committee, a member of the Legal Fund Committee of CTA-SS, and a member of the Executive Council of the El Camino College Faculty Club, a post which he has held for the past seven years.

Other distinctions held by the mathematics instructor include membership on the NEA Legislative Advisory Committee, the presidency of the El Camino College Federal Credit Union, and membership on the CTA State Council of Education Youth Activities and Welfare Committee. He was a representative to the CTA-SS Council for two years.

In 1955 Haley was a delegate to the NEA convention in Chicago and the Governor's Conference on Education in Sacramento.

A resident of Redondo Beach, Haley is married and the father of a year-old daughter. Mrs. Haley is a former counselor on the El Camino campus.

The CTA candidate has been active in the teaching profession for the past 13 years, teaching on both elementary and secondary levels. His experience has been in Merced County, Burbank and at El Camino.

A graduate of Memphis State College, where he received his bachelor of science degree, Haley holds a master of arts degree from the University of Southern California, where he has also complete additional graduate work.

Commenting upon the candidate's qualifications in a letter addressed to teachers throughout the Southland, Lyle Tussing, president of the El Camino College Faculty Club, said, "Mr. Haley has compiled an outstanding record of service to our local, state, and national professional organizations."
