

# PITTSBURGH PAINTS

### QUESTION—

"Why is buying a can of Pittsburgh Paint like opening the vault door of your favorite bank?"

### ANSWER—

Because you know that behind that door lies security, trust, and confidence. Those three words, to a large degree, describe the quality found in PITTSBURGH Paints and Paint Products.

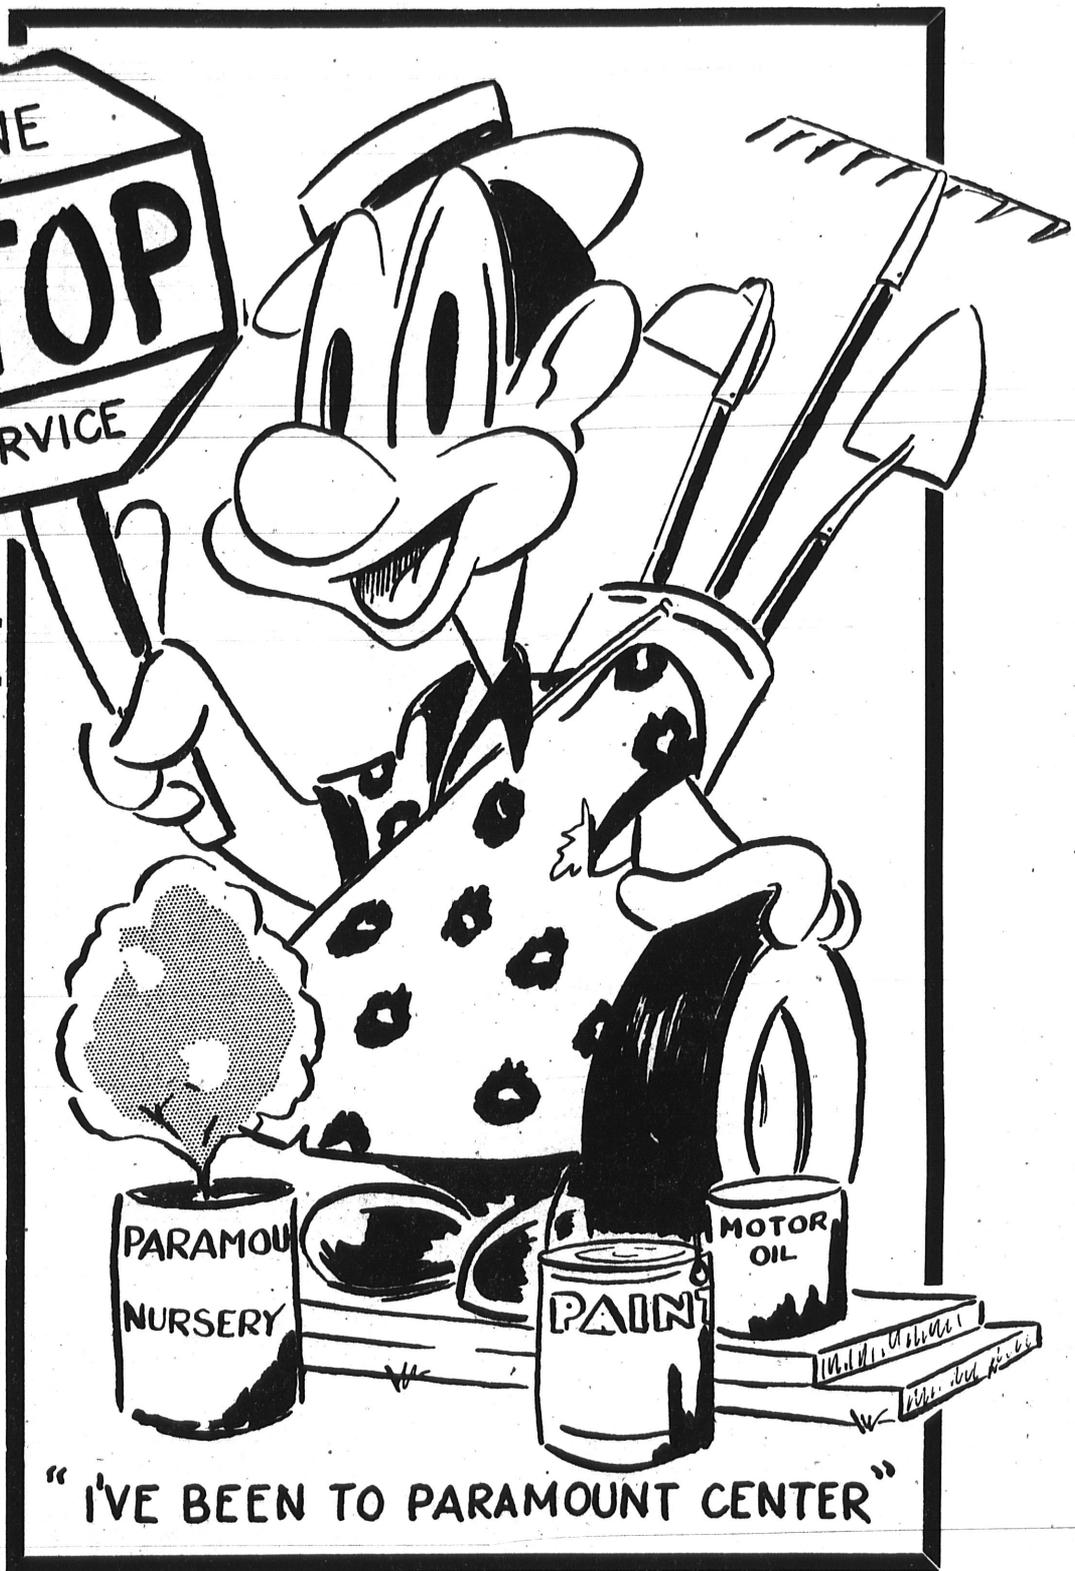

### DUTCH says:

When you buy paint, remember you are buying an investment in the future. **KNOW** your paint dealer and the products he sells.

Will they last?

Will they give satisfaction?

We of Paramount Center are proud of the fact that as an exclusive Pittsburgh Paint dealer in this area we are able to bring to our customers the very best Quality Paint and Products that money can buy.
