Call Goes Out for Women to Aid Substitute Mothers at Hospital

By BILLIE ROBERTSON FA 8-7385

Women are needed to serve as substitute mothers at the Harbor General Hospital. This is an appeal from Mrs. John Stoddard, chairman of the "Volunteers for Children" group. These women go over and help with the children, seeking they get fed, dressed, taken to their treatments, and many, many more tasks too numerous to mention. The club is recruiting new members now, so if any of you are interested in this, please call FA 8-6988. The next meeting will be held May 31 at 7:30 at the Fern Avenue Cafeteria.

The Boots and Music Club held a big Mother's Day party in the club room, Saturday, May 12. All mothers of the students were honored and presented

with flowers. Mrs. Ted Mason was introduced and given a gift for being the oldest (youngest) mother at the affair. Many prizes were awarded during the affair. The students, accompanied by the teacher, Slim Edwards, entertained the group with many numbers. Lana Robertson was featured in a tap dance number. After an hour of music, refreshments were served to over 60 parents and students.

Much praise goes to two of our boys for winning high honors in the track meet. The track meet was held last week. These boys were James Walsh, of 1331 W. 22nd St., who took second in the 50-yard dash and the high jump. Bruce Lee, 1015 W. Ocean Ave., took first place in the ball put. Normandale Playground is proud of these two boys.

The pre-organization meeting of the 223rd Street School PTA was held Tuesday, May 15, in the new auditorium. The chairman of the meeting was Mrs. Weston Clark from Tenth District. Incidentally, the school is in the Lomita, San Pedro Council. At the meeting the following women were elected to serve on the nominating committee: Mrs. Robert Bree, Mrs. Francis Anania, Mrs. Paul Keiso, and Mrs. Wallace McLeay. Mrs. Edward Kollmyer and Mrs. L. W. Baker were elected to serve as alternates. A special announcement was made to all who would like to be charter members. Those who attend the next meeting and have paid their dues of 50 cents will become charter members and will be put on the charter. The next meeting will be May 29 at 9:30 in the school auditorium, at which time the PTA will go into action for the following year.

Mrs. Elizabeth Danky, principal of the 223rd St. School, made several announcements at the PTA meeting. The first was that next semester a special music teacher will be at the school in full time service. Also that the library will be stocked with almost 1000 books for the children to enjoy. Mrs. Danky is sorry that the cafeteria couldn't have been opened but due to the trouble of having the stove delivered to the school the cafeteria wouldn't be ready for the children until September.

The Halldale Avenue School PTA held its regular monthly meeting on May 17 at the school auditorium. Mrs. David Goolby, president, presided at the meeting. Mrs. D. Mitchell read the inspirational message. Mrs. Ruth Addams, music teacher, presented a musical program. The orchestra and the choir from the school entertained the full house.

Mrs. G. Reese reported on the PTA convention in Sacramento, telling of the many meetings and highlighting the highlights of her three-day stay in the capital city. After the meeting refreshments were served to the parents and teachers.

Normandale Little Coast League starts Little Players and their parents are invited to attend a meeting this evening at 22400 S. Halldale which is the Normandale playground. Meeting will start promptly at 7:30 and will end at 9 p.m.

The primary objective of the Normandale playground Little Coast League program is to bring the boys of 12 and under into a program where they can have the assistance of their fathers in their training. Games will be played during the twilight hours of the week with other games on Saturday mornings.

Junior boys, 13 and 14 years of age, are also invited to organize their teams. Play will be on Saturday afternoon for this group.

Chairman Peter O'Brien would like any man in the community who would like to have a team to contact him at the meeting. Coaches of teams from last year will be given the opportunity to work with their same team of boys. But the committee reserves the right to assign new boys to take the place of those who have left the program. Coaches should contact Mr. Hammitt and request practice periods for their boys as soon as possible.

Corriganville was the place of interest to 50 Cub Scouts last week. Cub Pack 228C made this interesting trip with the proceeds from the do-not drive they have just completed. Now the boys are selling Scout-A-Scope tickets so they can make a trip to the San Diego Zoo. The trips are made possible through the boys hard work on the selling projects. Mrs. G. Funk reported the boys are making much progress in their advancements in the Cubs.
