If vacation trips are an indication of summer, then summer is here in Walteria with a vengeance. Seems everyone is either going somewhere or having company. Among the happy vacationers are the Deurlaos of Park St., who spent a pleasant three weeks visiting their daughter and family, Mr. and Mrs. Peters in Michigan. While on their trip they also visited other relatives in Michigan.

Mrs. Frances Carrillo and son Jerry have left for a two week trip by air. They are visiting in Boston, New York, and Maine. Mrs. Carrillo, formerly of Boston, plans to see many of her friends while back there.

Terry and Don Matthews of Park St. have a complete family at home again since Terry drove back to Flagstaff, Ariz., last week to bring their children home. They had been visiting their grandparents in that city.

Mrs. Lillian Doage and her daughter Earlene of Ward St., are on their vacation in Newark, Del., where they are visiting Mrs. Doage's parents for two weeks. Mrs. Doage luckily took the TWA flight on Saturday evening, later than the tragic TWA flight on that date.

One of the most excited vacationers is Douglas Hardcastle, son of the Glen Hardcastles of Ward St. Douglas and his grandmother, Mrs. Edith Macdonald, are leaving via air for Vancouver, Canada. At Vancouver they will take a scenic boat to Ketchikan, Alaska, where they will meet Douglas' uncle. The uncle owns a lumber camp in that glamorous vacation land and has invited Douglas to spend the entire summer with him. Mrs. Macdonald plans to stay a month and then return to Walteria, while Douglas stays on for the rest of his vacation.

Many of you readers will undoubtedly remember Mr. and Mrs. Don Perry, formerly of Hawthorne Blvd. The Perrys are now residents of Half

Moon Bay, and have recently become proud parents of a 10-pound boy.

Welcome company is at the Tom Fitzpatrick home on Danaha St. in the persons of Mr. and Mrs. Frank Olson of St. Paul, Minn. They are Mrs. Sylvia Fitzpatrick's parents, and plan to spend most of the summer here in sunny California. Accompanying the guests is Sylvia's niece, Miss Roberta Olson, also of St. Paul.

Other welcome guests in our town were visitors at the M. Moton home two weeks ago. They were Mrs. Moton's sister and family, Mr. and Mrs. Gene Wade of Tulsa, Okla. While here the hosts and guests all enjoyed a trip to Disneyland.

Last night was a big night for the Walteria Business Men's Club. They held their annual chicken dinner party at Ed Nickel's Ranch on Newton St. Theme was "Auld Lang Syne" and from what we hear all attending should have had a good time. The party was for members, wives, and guests.

Speaking of the BMC reminds us that we have not reported on the Scout building, one of their projects, for some time. A beautiful fireplace has now been completed in the building. Faced with stone, built of brick, and with a five foot hearth, it is really a thing of beauty. The building now needs outside stuccoing and doors hung, while the inside is all done but the finishing. The inside, by the way, will all be paneled with wood. Sounds like the Scouts will have a jim-dandy place to meet.

For those of you readers who have been wondering what to do with all the exuberance of your school-age children during these summer months here is a suggestion. A wonderful program has been planned both at Walteria Park and at the Walteria School by the Torrance Recreation Dept. for the vacation days. The playground director at the park will be Lloyd Harline with Wayne Scholl and Judy Wright on the staff. Softball teams are going strong along with

There was wonderful news from 2829 Onrado Street, early Monday morning. Making her appearance just two days before the Fourth of July and home from the hospital on that holiday was little Alicia Marie, 8 lb. 9 oz. baby girl, born to Mr. and Mrs. Jack Klinzing. The baby was born at Torrance Memorial Hospital and joins sister Pamela Jean and brother Jeffery John.

"Meanwhile back at the ranch" . . . Enjoying horseback riding twice a day and swimming any time they felt like it were the Don Bryant family, of 2801 Onrado St., on their recent dude ranch vacation. Each member of the family enjoyed it thoroughly. They stayed at the Wonder Valley Dude Ranch near Fresno. Their meals were served family style. Mr. and Mrs. Bryant were accompanied by

many other types of tournaments even including checkers and ping-pong. Special surprise days are planned too, with movies being shown when announced. Last Friday, beginning one of the special days was held. This was a Hobo Jungle invitational held at El Retiro park with Walteria Park and School participating. All youngsters from 6-16 were invited to enjoy the 5-cent hamburger, 5-cent drinks, and have a lot of fun in general. At the school crafts and games start at 1 p.m. and run to 5 p.m. Monday through Friday. Movies will also be shown at the school at the days to be announced later.

Our deepest sympathies rest this week with the bereaved family of G. X. Fiore, flight engineer on the tragic United Air Lines DC-7 which crashed in Arizona last week-end. The Fiore were fairly new residents in our town, living on Ward St.

Mrs. Eva Kelly of Park St. returned home last week after undergoing surgery at the Good Samaritan Hospital. While there she found she had many, many god friends who were thoughtful enough to send her cards and flowers. We are glad to hear she is feeling fine, and well on the road to recovery.

wiches were served. The wives had gathered together earlier to enjoy the swimming and the men joined the party later.

Mike Diaz, 20, of San Pedro, and Tony Serrano, 16, of Wilmington, have been arrested on the charge. They are suspects in a number of stick-ups that have taken place in this area in the past three weeks, authorities said.
