SHOESTRING STRIP
Nelsons Tour Northern States; Street Improvements Continue

By BILLIE ROBERTSON FA 4-7285
 I have been asked to put the following article in my column this week. Even though we are not in Torrance a lot of us have many activities in the city of Torrance. The Coordinating Council is just commencing another year, more active under the able guidance of the new president, Bill Evans. The group is active in many things. The president of each school's PTA is asked to attend the next meeting which will be held tonight at 7:30 in the Greenwood School. The present job being worked on now is the establishment of mental health clinics in Torrance.

Mr. and Mrs. F. C. Beech of 203rd St. are entertaining Mrs. Beech's brother, J. L. Harris, and his family, from Tacoma, Wash. They have visited many places of interest in the Harbor and the Hollywood areas.

Mr. and Mrs. Frank Nelson and family are on an extended tour of the northern states. Mrs. Nelson is the vice-president of the Shoestring Strip Advisory Board.

Homer Armagost of 1617 W. 224th St., is spending a few weeks in Gettysburg, Pa. His neighbors were all wondering where he was keeping himself.

The St. Matthew Lutheran Church Vacation Bible School for children will be held at the church, Lomita Blvd. and Normandie Ave., July 23 thru Aug. 3.

Mr. and Mrs. Herman Eisenbels and their daughter are spending a few days in San Mateo visiting friends and relatives.

The Eddie Straceners, of 1427 W. 223rd St., are happy to announce the wedding of their daughter, Sharon, to Jack Gunnard, son of Mr. and Mrs. Leroy Gunnard of Torrs, Pa. They were married at the Torrance Church of God by the Rev. Willis E. Combs on June 30.

For the wedding Sharon wore a gown of white lace tulle and taffeta. Her veil fell from a crown of tulle and she carried a bouquet of white orchids and yellow roses. Maria Dodas was the maid of honor and Darlene Combs and Rebecca Whitman were the bridesmaids. Ted Stracener served as best man and the ushers were Leroy Combs and Nathan George.

STOP using old-fashioned conditioning methods try Hi-Protein **PETUNA**
