Makes Cool Healthful Air  
Only refreshing, cool air now. Porta Cooler produces it quickly & efficiently.

Conditions Air Everywhere  
Porta Cooler is a superior blower type VAPORATIVE COOLER. You can also use it as an AIR CONDENSER, DEHUMIDIFIER or HUMIDIFIER. Run it with water or dry, no need to disconnect pump or make any other changes.

AIR CONTROL  
Sturdy... Lightweight and COMPLETELY PORTABLE  
Since it runs place to place... it's light and easily portable. Porta Cooler may be used almost anywhere - in a room, office, motel, trailer or shop. It's wonderful for traveling occasions.

Requires No Installation  
Simply plug it into an electrical outlet and turn on the switch.

Porta Cooler

Its quiet, efficient operation will never disturb sleep, work or conversation. Porta Cooler is finished in new decorative colors - Charcoal Blue-Tan and Sand-Tan with attractive Web-Laps overtop.
